TOUR DESCRIPTIONS

COLONIAL WILLIAMSBURG

Wednesday, Oct 9

Colonial Williamsburg is the only place that takes you back in time to the dawn of America. Start your visit by dining with patriots at one of the three historic taverns – each with its own distinct menu and specialty. Following lunch, step into Colonial Williamsburg's Historic area, where you will be transported back in time to meet tradespeople, women, members of the enslaved community, shopkeepers, and political figures that call Williamsburg home. Explore historic 18th century buildings, engage our nation's founders and gain a new perspective on our American story. With so much to see and do, there is something for everyone – history lovers, makers, and fans of architecture. *Please note, this is a walking tour in Williamsburg, so be prepared to walk several hundred yards. Comfortable shoes are highly recommended!*

9:30am board bus, 5:00pm Return to hotel

\$63/person includes bus, tour escort, and admission. Lunch is on your own.

MACARTHUR MEMORIAL / SPIRIT OF NORFOLK

Thursday, Oct 10

Downtown Norfolk is home to the MacArthur Memorial, the final resting place of the late General and eleven-gallery museum. Visit the gift shop and see a film summarizing the General's life and achievements. Next stop is the Spirit of Norfolk, the premiere cruise boat on Norfolk's waterfront. The harbor lunch cruise with entertainment features the sights of Hampton Roads harbor and the mighty ships at the Norfolk Naval Station. Enjoy a wonderful buffet with multiple entrees, sides, and dessert while the captain narrates. After lunch, enjoy a stroll on the open-air deck or sit back and relax in the climate-controlled areas.

9:45am board bus, 2:30pm back at hotel

\$87/Person includes bus, escort, and lunch cruise.

NAVY BASE / NAUTICUS

Friday, Oct 11

The Hampton Roads area is home to military bases from all branches of the military, and the Norfolk Naval Base is the world's largest naval facility. Once passing through security screenings at the Visitor Center, continue on a driving tour of Admiral's Row, the Naval Air Station, and the piers. Following the visit to Norfolk Naval Base, you will have time to enjoy lunch at Norfolk's MacArthur Center home to 20+ restaurants varying in price range. After lunch, head downtown to Nauticus, an exciting 120,000 square-foot science and technology center that explores the power of the sea with interactive and educational exhibits. On the second deck of Nauticus is the Hampton Roads Naval Museum, which features a large collection of naval artwork, ship models and underwater artifacts. Also part of Nauticus is the USS Wisconsin. The Wisconsin is one of the largest and last battleships to be built by the U.S. Navy. Note: If for any reason the Naval Base is closed to the public (ie: security issues), the tour length will be shortened, but refunds can't be issued. Due to heightened security, participants may be searched and a photo ID is required. Sharp objects, such as pocket knives and nail clippers are not allowed on base.
