Volunteer Trail Work Day

Saturday, March 9
9:00 AM – 12:00 Noon

Kings Gap needs volunteers to help with trail work. In the event of snow on February 23, we will be in the Pine Plantation Day Use Area.

Otherwise we will work at the Kings Gap Hollow Day Use Area on trail maintenance with water management.

For more information or to register, contact 717-486-3799 or ra-nrspkingees@pa.gov

Hike: Searchin' for the Green 🍃🍃🍃🍃

Sunday, March 17
2:00 PM – 3:30 PM

You can find signs of green even in the winter. Enjoy a guided hike this St. Patrick's Day while searching for evergreen plants.

This free hike is about 2 miles on hilly terrain at a moderate pace. There will be stops along the way for rest and discussion.

Meet at Kings Gap Hollow Day Use Area.

Birds and Beverages: Project FeederWatch

Saturday, March 9
Sunday, March 24
9:00 AM – 10:30 AM

Join us for Project FeederWatch! This citizen science project collects data on birds visiting feeders in the winter.

Enjoy hot tea, cocoa, apple cider, or coffee while we spend time in the Education Building watching our birdfeeders and collecting count data.

No registration required for this free program. Drop in anytime between 9:00 AM – 10:30 AM.

Family Discovery: Exploring the Senses 🦶🦶

Saturday, March 23
1:00 PM – 2:30 PM

Our senses are very important to how we interact with the world. We can explore nature using our senses.

As a family, you will use colors, shapes, textures, scents, and sounds to observe plants and look for signs of animals in our environment.

No pre-registration is required for this free program. Designed for children aged 4-7.

Meet on the Mansion Porch.

***Our popular 'Experience A Spring Night' evening amphibians programs are coming up soon. Be on the lookout for these programs when the weather conditions are right!**
