Handbook 2018 - 2019

Revised January 2019

WHAT IS GLEANING?

Glean: (verb)

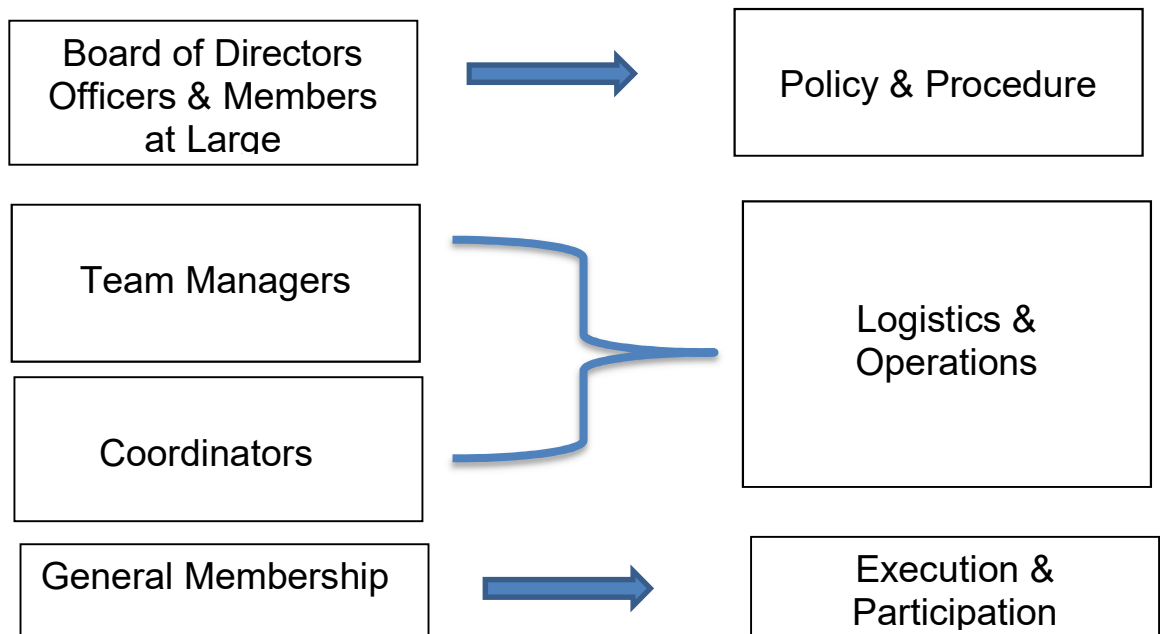

1. To harvest (grain) left behind by reapers.
2. To collect bit by bit.
3. To obtain as a result of effort.
4. To gather a return or reward.

Gleaning had its beginnings over 6,000 years ago as an honorable way of neighbor helping neighbor. It helps promote the work ethic by providing the opportunity for those interested in helping themselves.

MISSION STATEMENT

Renton Community Co-Op provides a means to be better stewards of our world. In order to reduce waste, we match available resources to the general membership. The existence of this organization depends entirely upon the participation of its membership in all phases of the operation.

The Co-op Rules

In order to ensure that our team runs smoothly and we all benefit as much as possible from gleaning, each team member is required to:

1. Assume an equitable share of the workload. Expect to do 3-8 hours per week, this includes driving and participating in gleans. Monthly minimum requirement: Two to three drives and one other job, as needed.
2. Follow through with their assigned responsibilities.
3. Follow established team policies and procedures as described in Team Handbook and posted at host sites.
4. Abide by established RCC guidelines.
5. If unable to meet your team obligations, contact a Team Manager to discuss possible solutions.
6. Be grateful for what you get, share with others, and do not complain.

If everyone follows these rules, we will have a fun and rewarding year of gleaning.

Operating Policies & Procedures

We are a non-profit organization (tax ID # 47-0878365) led by a board of directors and run and sustained by our members. Membership is open to all who have a willingness to work in order to help themselves and others. Our leadership team, comprised of managers and coordinators, oversees the various jobs and responsibilities delegated to team members as dictated by our team's commitments.

RCC is committed to serving our own team members first, and when excesses permit, we will strive to reach out to residents of our local communities through existing agencies and through informal contacts with our members' churches, schools, community organizations and neighbors.

Every effort is made to be sure that the distribution of gleaned items is done in a fair and equitable fashion. However, it is impossible to guarantee that each member will benefit in exactly the same way as another. Instead, it is our operating premise that you will reap what you sow. In other words, your tangible rewards will be directly related to the amount of time and energy you put into gleaning on a regular basis.

Any item received through gleaning is not to be sold anywhere. Nothing gleaned from the stores may be sold or exchanged for money. However, if you have used the product in an item you are donating, such as to a bake sale, that would be acceptable. You may not give away a bakery item to be sold at a bake sale. These items are marked by the stores, and we do not want to jeopardize our relationship with the stores. If you use social media to inform friends that you have leftover

gleaned items to share, do not use the name of the store in your post. Please note the use of social media to distribute left over Bartell Drugs gleaned items is strictly prohibited.

Due to the nature of our association, we do have waste/garbage items that will be in need of disposal. Proper disposal of garbage items will be the responsibility of each member. Depending on your locality, it may be unlawful to dispose of waste food in compost piles or yard waste bins. It is each member's responsibility to know the guidelines for their area.

Renton Community Co-op chooses to work 7 days a week with the exception of Thanksgiving and Christmas.

RCC utilizes a communication system that includes a monthly calendar, phone calls, e-mail, Groups.io message board and team web site. It is the responsibility of each team member to check their e-mail and voicemail regularly and to pass on and return phone calls accurately and promptly in order to ensure good communication within our team. Members who wish to have their monthly calendar and participation list mailed to them must provide 12 self-addressed, stamped envelopes.

To minimize the amount of email communication for glean with which you might not be participating or interested, we utilize sub-groups within the Groups.io message board. It is the member's responsibility to add or remove themselves from sub-groups as desired. Sub-groups include such topics as Grocery Outlet Glens, Weekend Panera Drivers and Top of the Hill Produce Drivers – this list is not exhaustive and will evolve as needed.

It is the responsibility of each member to keep current their driving availability information with the Calendar Coordinator, including impending vacation dates, work schedule, etc. Changes or updates to this availability must be given to the Calendar Coordinator by the 10th of the month prior to the calendar affected.

Every person 18 years of age and older who wishes to participate in a glean must have signed a waiver form and have their RCC name tag visible for the benefit of store personnel, fellow gleaners and field supervisors. If a replacement name tag is required, it may be purchased for \$1.00 by contacting the Badge Manager.

Each member of RCC will be required to commit to a weekly minimum of 3-8 hours work. This includes participating in glens as well as driving or hosting. Each member must be available to drive at least one weekday per month, not only weekends and have at least two days of the week available for scheduling. If an individual is unable to do a job, it is his/her responsibility to find a substitute, to make sure that the person substituting has all the necessary information to do the job properly and to inform the group of the change.

Each member will be required to attend an annual team meeting, typically held at the end of August. Members unable to attend this meeting will be asked instead to attend a quarterly board meeting.

RCC is funded by monetary donations which enable us to carry a liability insurance policy and cover occasional supply costs. Annual donations of \$30 per household (or whatever the household can afford) given by members who are financially able to do so are greatly appreciated, but not required for membership. These donations are tax deductible. When members join RCC the initial donation recommendation is based on the number of months of participation remaining to the end of the fiscal year (June 30). This value would be equal to the annual recommended donation divided by 12 multiplied by the remaining months of participation. (i.e. Joining in February, would be 5 months x \$2.50 = \$12.50)

Leaves of absence will be granted as needed. Members on any leave of absence do not participate in gleans. Notification of Leaves of absence are to be made to the Calendar Coordinator 30 days in advance and the roster will be updated accordingly. Should a member need to go on a leave that will take longer than 3 months, said member will be required to leave the co-op and rejoin once they are able to fully participate.

Children are not to be in the stores with a member while he/she is on RCC business. Children under the age of 12 are not to be left in the car in the store parking lot.

Resignations are to be made to the Calendar Coordinator 30 days in advance. This policy is necessary in order to allow ample time for scheduling drivers for our stores.

Discipline Policy

It is our goal to maintain the highest level of integrity while enabling responsibility in each of our members. In order to successfully achieve this, a disciplinary policy is necessary. All infractions, such as but not limited to failure to complete drives, pick-ups, fulfill responsibilities or breaking team rules, will be subject to a violation notice.

First violation: A written notification will be issued from the Policy and Procedures Team Manager to review the incident and to assign a consequence to the action as needed. The written report will be held on file.

Second violation within a 12 month period: Repeat step one and send a copy of the report to the board. Consequences will be assigned at the discretion of the Team Managers. (This step could be a repeat of the first infraction and/or a violation of any other policy or procedure.)

Third violation: A violation notice will be sent to the RCC board for disciplinary action. Such action may include removal from the team.

Note: Extreme violations will be handled by the board immediately and may cause immediate suspension in gleaning privileges.

The team manager is a volunteer position with its primary function being the effective management of a gleaner team to carry out gleaning activities. A team manager is not expected to spend undue time in the mediation of a policy or procedure violation. The team manager is expected to act within the guidelines of RCC and is empowered to carry forward good common sense solutions to each individual case. In the unlikely event that it appears an illegal action has happened, the facts and evidence of the case will be turned over to Washington State Law Enforcement.

Absentee/Vacation Checklist

- 1) Notify the driver(s) in advance, giving at least a 24-hour notice that you will not be participating in the day's glean.
- 2) Plan for your vacation in advance. Notify the calendar coordinator by the 10th of the prior month in order to avoid scheduling conflicts during your vacation. (i.e.: for time off in August, contact the calendar coordinator by July 10th)
- 3) For unexpected times away:
 - a. Check calendars.
 - b. Find replacements for **ALL** of your responsibilities.
 - c. Notify bread hosts/drivers, grocery drivers and calendar coordinator of changes.

Procedure for When You Cannot Drive an Assigned Glean

1. When the calendar comes out, if you see that a day you are scheduled to drive is not going to work, contact people to ask for a swap. You may call other drivers who drive that day of the week or email the io group to ask the general membership for a swap.
2. If absolutely unable to find a substitute, call the calendar coordinator.
3. If Calendar coordinator cannot be reached, contact a Team Manager.
4. These issues need to be addressed at least 1 week in advance out of consideration to others on the team.
5. If a late notice swap is needed due to illness or other unforeseen circumstances, try the Yahoo email group first and if you don't hear from anyone right away, contact a team manager ASAP.
6. UNDER NO CIRCUMSTANCES, should groceries or bread ever not be picked up from the store.

Hospitality Procedures

The purpose of hospitality is to make sure that each donating store is regularly thanked and acknowledged with some sort of "thank you" gift from Renton Co-op.

RCC members will be rotated through hospitality assignments. These assignments can be found on the monthly participation list emailed to the group. When it is your turn, you will go to the assigned store sometime during that month, preferably the beginning of the month, and take some gift of thanks. This may be a thank you card with a plate of cookies, a box of chocolates, a bouquet of flowers, or some other item. Check the listing below for specifics on how many employees at each store to acknowledge.

Saar's Super Saver	5 employees
Bartell Drugs (Highlands)	4-5 employees
Bartell Drugs (Newcastle)	4-5 employees
Grocery Outlet (Sunset)	8 employees

When you take a hospitality gift to Bartell Drugs please deliver it before 3pm on weekdays and not on weekends. This way the people who actually set the items aside for us will be there when the appreciation gift is received.

Driver Communication Procedures

Sunset, Costco Bakery/Misc & Costco Deli Drivers will notify participants listed on the participation list for their particular day, at least 24 hours in advance, as to the time and pickup location. Drivers may, if they wish, contact participants 48 hours in advance by email or text and may request a confirmation the information was received, as a convenience, to reduce the number of phone calls needed. Whichever participants did not reply, the driver must make a phone call to, at least 24 hours in advance.

Driver must assume all participants on the participation list are participating unless they are told otherwise.

Participants do not have to return a phone call to confirm their participation.

Policy for missed pickups by Saar's Supersaver Foods, Panera, and Costco participants

If participants fail to pick up his or her glean from the host site two times within a three-month period their name will be removed from the participation list of the glean for which they have missed pickups. They will then have to call the driver each time they wish to participate in that glean. After a period of six months they may request to be added back on to the printed participation list.

Resource for Excess

Grocery Glean Procedures

Saar's Super Saver Foods (Sunset Marketplace)

3208 NE Sunset Blvd
425-226-5720

Pickup Monday through Sunday
10:00 a.m. – 4:00 p.m.

Driver Procedure:

1. Two or three days before the glean determine a host site and time for the glean. Call participants at least 24 hours in advance to notify them of the host location and pickup time. The pickup time is determined by when the driver can pickup and get through sorting and should not be held for the schedule of the host.
2. Arrive at the store wearing your gleaner badge.
3. Park in the back of the store at the loading dock.
4. Walk up the ramp next to the loading dock and ring the bell. Please be patient with the staff and wait at least a minute between rings. Many times, they hear us and have to locate a staff member with a key. If you feel you have waited too long, feel free to call the store and ask for the produce manager and tell them you are at the door.
5. The wheeled rack with gleaned items will be located just inside the loading dock door.
6. Load the produce goods in your vehicle.
7. Let the employee know when you are finished so they can come lock the door behind you.
8. Drivers sort glean equitably between the participants of the day. Drivers and host are welcome to participate with an equal share, or less if desired.
9. Leave a sign in sheet of participants at the host site.
10. If you post items on social media make sure that no store or brand names are visible in your posts.

Host Procedure:

1. Please move cars or do what is necessary to provide a clear path for drivers to unload the glean.
2. If a participant fails to pick up their portion by 7pm, please make a courtesy reminder call to them. If they are still not responsive, please report the incident to a team manager.
3. The driver and hosts do not get priority in the grocery glean but may participate in an equal or lesser portion of an equitable distribution. Example Problem: There are 6 participants including the driver and the host. There are 12 flats of strawberries (enough for 2 each) but the host and driver only want to take one flat apiece, leaving 10 flats for the remaining 4 participants. Solution: give the remaining 4 participants 2 flats of strawberries apiece and divide the remaining 2 flats so that each participant receives 2½ flats each.

4. If you post items on social media make sure that no store or brand names are visible in your posts.

Participant Procedure:

1. After being contacted by the driver, arrive at the host site at the time given and pick up no later than 7pm (unless other arrangements were made with the host).
2. Locate your name on the grocery glean sheet and sign your name.
3. Check the bottom of the grocery form to determine your share of the glean.
4. TAKE ALL OF YOUR SHARE. Ask host if you have any questions.
5. Notify driver(s) if you will not be participating in glean. Give 24 hours' notice.
6. If you are not on the list for weekly participation, you can request to be added by contacting the drivers for the day you'd like to be added.
7. If you post items on social media make sure that no store or brand names are visible in your posts

Panera Bread Glean Procedures

Panera Bread

775 Northwest Gilman Boulevard
Issaquah, WA 98027-5374
(425) 369-6180

Pickup 9pm Wednesday and Sunday
10pm Saturday

Wednesday Driver Procedure:

1. Prior to picking up at the store, pick up Panera bins from the previous host. There are two sets of bins. One set for Highlands and one set for Fairwood. Pick up the bins from the host site from the previous glean from the respective area.
2. Coordinate with the scheduled host 24 hours in advance regarding when you will drop off the bins.
3. Arrive at store Wednesday five to ten minutes prior to closing, with the tubs marked "Panera", with some plastic bags, wearing your RCC badge.
4. When picking up in the summer, it is recommended you call the manager after 4pm on the day of pickup to confirm the closing time as some summer days have extended hours.
5. Wait inside with the tubs out of the way.
6. When the store closes, a Panera employee will bag everything for you OR they will tell you to go ahead and bag it yourself. Which means you
 - a) line the blue bin with a clear trash bag found under the register, or use bags you brought with you if they don't have bags available, and use a food handler's glove, and
 - b) take all bagels; all bread loaves you are told to take; all goodies behind the counter and in front, that you are told to take.
7. Sandwich department will bag all the sliced bread for you.
8. Sign donation form if the Panera manager asks you to.
9. Gather all food items and take them all at once. The door will lock behind you, so prop it open until all bins and bags are outside, then let the door shut and load the car.

Thursday Host Procedure:

1. If you are unable to host, it is your responsibility to find a substitute. If you are giving more than a few days' notice, you may email the group with the change and contact drivers by phone. For less than 48 hours' notice of host site change, call all participants by phone, they may not see the email in time.
2. Be available to Panera driver at the time agreed unless driver is dropping off on your porch. Time for Panera pickup is 4:00 – 7:00pm, unless other arrangements are made by host. A courtesy email from the host to the participants is encourages specifying when the bins will be available.
3. Put out a sign-up sheet for participants.

4. Make phone calls to any participants that have not signed in by 7pm and inform a team of any “no-shows”. The sign-in form can then be discarded.
5. Dispose of leftover Panera items as you see fit. Panera bins will be picked up by next driver for your area. Host washes all of the Panera bins prior to each use, ensuring there is no rain water or any residue from the Panera items. For everyone’s health, this is a **necessary step**.
6. When posting items on social media make sure that Panera is not mentioned in your posts.

Thursday Participant Procedure:

1. Arrive at the host site between 4-7pm unless the host or driver identifies an earlier pickup availability time.
2. Locate your name on the Panera glean sheet and sign your name.
3. Take as much as desired, keeping in mind the other participants.
4. Notify driver if you will not be participating in glean. Give 24 hours’ notice. Host may request confirmation of those coming to enable them to release the glean to non-co-op participants earlier than 7pm.
5. If you post items on social media, make sure that Panera is not mentioned in the post.

Weekend Driver Procedure:

1. Arrive at store Saturday or Sunday five to ten minutes prior to closing wearing your RCC badge. Bring your own containers and bins.
2. When the store closes, a Panera employee will bag everything for you OR they will tell you to go ahead and bag it yourself. Which means you
 - a) line the blue bin with a clear trash bag found under the register, or use bags you brought with you if they don’t have bags available, and use a food handler’s glove, and
 - b) take all bagels; all bread loaves you are told to take; all goodies behind the counter and in front, that you are told to take.
3. Sandwich department will bag all the sliced bread for you.
4. Sign donation form if Panera manager asks you to.
5. Gather all food items. The door will lock behind you, so prop it open until all bins and bags are outside, then let the door shut and load the car.
6. Weekend drivers take the entire Panera glean; no participants. Once the schedule for the month comes out, it is the responsibility of the scheduled driver to switch or find a replacement should something come up preventing them from picking up on the date for which they volunteered.
7. When picking up in the summer, it is recommended you call the manager in case they have extended hours.
8. If you post items on social media, make sure that Panera is not mentioned in the post.

Procedures for Costco Bakery/Misc Glean

Southcenter Costco

400 Costco Drive
Tukwila, WA 98188
206-575-9191

Pickup Sunday, 8-9am

Drivers Procedure:

1. Costco Bakery / Misc often has two members scheduled due to the size of the glean. Drivers should coordinate with each other to determine host and what time they will meet at the store for pickup.
2. Call participants 24 hours in advance to let them know where and when the Costco glean will be available for participant pickup.
3. Arrive at the loading dock on Sundays, between 8:00am and 9:00am. Wear the Renton Co-op badge and sign in under the name of Renton Co-op.
4. Ring the bell at the top of the loading dock. When an employee responds, say that you are from Renton Co-Op and are here for the bakery and other food items - specifically ask for them to check each department (bakery, produce, health/beauty, deli). Fill out the required paperwork, using Renton Co-Op's name and sign the form. Wait by the door until an employee brings out the cart(s). Load all items into your vehicle (bringing extra boxes and garbage sacks will be helpful) and return the cart(s) to the cart storage area.
5. Drive to the host site and divide items as equitably as possible among participants. Driver may participate as an equal participant or less, if desired. Hosts do not get priority in the glean. They are able to be on the participation list and may take their equitable share once the glean is ready with the rest of the participants for that day.
6. Leave sign in sheet with participant's names at the host site.
7. If posting items on social media make sure that no store or brand names are visible in your posts.

Host Procedure:

1. Identify to the driver where you want the glean to be physically hosted. It is recommended that a tarp or some kind of coverage be provided to prevent bird and small animals from getting into the bags.
2. If a participant fails to pick up his or her glean by 7pm, please make a courtesy reminder call to them. If they are still not responsive, please report the incident to a team manager.
3. If posting items on social media make sure that no store or brand names are visible in your posts.

Participant Procedure:

1. After being contacted by the driver, arrive at the host site at the time given and pick up no later than 7pm (unless other arrangements were made with the host).
2. Locate your name on the Costco glean sheet and sign your name.
3. Check the bottom of the sign in form to determine your share of the glean.
4. TAKE ALL OF YOUR SHARE. Ask host if you have any questions.
5. Notify driver(s) if you will not be participating in glean. Give 24 hours' notice.
6. If you are not on the list for weekly participation, you can request to be added by contacting the drivers for the day you'd like to be added.
7. If you post items on social media make sure that no store or brand names are visible in your posts

Note: If a major holiday lands on a Sunday, there will not be any Costco glean, including Easter Sunday.

Procedures for Oroweat/Bimbo Bakery Outlet

25838 104th Ave SE Kent, WA 98030

Manager: Christina 253-852-6909

Pickup Fridays, 10:00am

Driver Procedure:

1. Oroweat drives typically have two members scheduled. Coordinate with the other driver a few days in advance and decide who will pick up the bins and who will call the store Friday morning at 8am.
2. One driver will pick up RCC bread bins from the previous host.
3. One driver will call the store at 8am to verify that there will be bread that day. If there is not, please notify the group by sending an email through the io group. If there is bread, drivers wearing their RCC badge arrive at 10am at the parking lot in the back of the building, accessed from SE 260th Street. The door may be propped open or unlocked. If the door is locked, knock loudly for them to unlock. If no response, enter from the front of the store.
4. Go into the back room, notify them of your arrival and sign in on the clipboard near the restroom. Scratch paper and a clipboard are available, but you can bring your own as well.
5. Bring RCC bins inside if it is raining, otherwise, keep them outside. Pulling from the stacks closest to the outer door, load the bins, sorting bread for our purposes into Wheat, White, Buns/Rolls, Bagels, English Muffins, Sweets or miscellaneous.
6. As you load the bins, tally on a scratch sheet of paper, for Oroweat's purposes, ONLY the following:

Product	Bread	Thomas	Don't Count
Oroweat Bagels, Buns or English Muffins	X		
Sara Lee Bagels, Buns or English Muffins	X		
Ball Park	X		
Bimbo Products	X		
Eureka	X		
Thomas Bagels		X	
Thomas English Muffins	X		
Safeway			X
QFC			X
Boboli			X
Any other Thomas Product			X
Desert Items (Donuts, etc.)			X

7. After bins are all loaded, total your tallied items, notify the employee that you are finished and they will get the form for you to write in the totals, then sign at the bottom for the organization. If you found any torn or moldy packages, write at the bottom of the form how many "Scrap", and toss it into the garbage can, or if there's a lot, put it in the dumpster outside.
8. Emptied bread trays should be stacked, alternatingly, 25 trays high. If they don't have 25 high yet leave them inside. The wheeled rollers are to also be stacked, no more than 4 feet high, but left inside.
9. Sign out on the clipboard, thank them, and let them know you are leaving so they can lock the back door. Oroweat does not want young children on the premises, outside or inside, but that's already one of our rules. Sign out and make sure the door is closed behind you.
10. Deliver bread to host site, and unload bins. No sign in sheet needed.

Host Procedure:

1. If you are unable to host, it is your responsibility to find a substitute. Email the group with the change and contact drivers by phone.
2. Be available for bread drop off, around 11:00am, or make arrangements with drivers. Please move cars or do what is necessary to enable easier unloading.
3. Time for bread pick up for gleaners only will be Noon – 7:00pm.
4. After 7:00pm, host may give away the remaining bread as you choose.
5. When posting items on social media make sure that no store or brand names are visible in your posts

Participant Procedure:

1. Arrive at the host site between 11am-7pm.
2. Take as much as desired, keeping in mind the other participants.
3. There is no sign in sheet for Oroweat.
4. If you post items on social media, make sure that no store or brand names are visible in the post.

Monday, 10am
Friday, 3-330pm

Driver Procedure:

1. Call participants 24 hours in advance to let them know where and when the Costco deli glean will be available for pickup.
2. Call Tanna at Costco Travel (425-416-5200) to see if they have a donation for us. If so, pick up at 1605 NW Sammamish Road. Call her from the lobby upon arrival.
3. Next go to the Deli 3 (845 Lake Drive) loading dock and ring the bell once. Let the person who answers know that you're picking up Deli donations.
4. Finally, go to the Deli 2 (1045 Lake Drive) loading dock and call 425-416-2646 to let them know you are there to pickup deli donations. An employee will bring their items out to you.
5. It is recommended that you bring along a few extra Ziploc bags, cooler and food handler gloves as well as big bags or boxes in case they don't have boxes.
6. If possible, bring coolers or insulated bags to help keep things as fresh as possible during transport. More than likely items will need to be adequately iced. Driver should work with the host to ensure enough ice or cooler packs are available to support the amount of the glean.
7. Drive to the host site and divide items as equitably as possible among participants. Driver may consider soliciting the help of other participants to expedite sorting based on the amount of the glean that day. Driver may participate as an equal participant or less, if desired. Hosts do not get priority in the glean and may participate only if they are on the participation list for the day.
8. Leave sign in sheet with participants' names at the host site.
9. If posting items on social media make sure that no labels, store or brand names are visible in your posts.

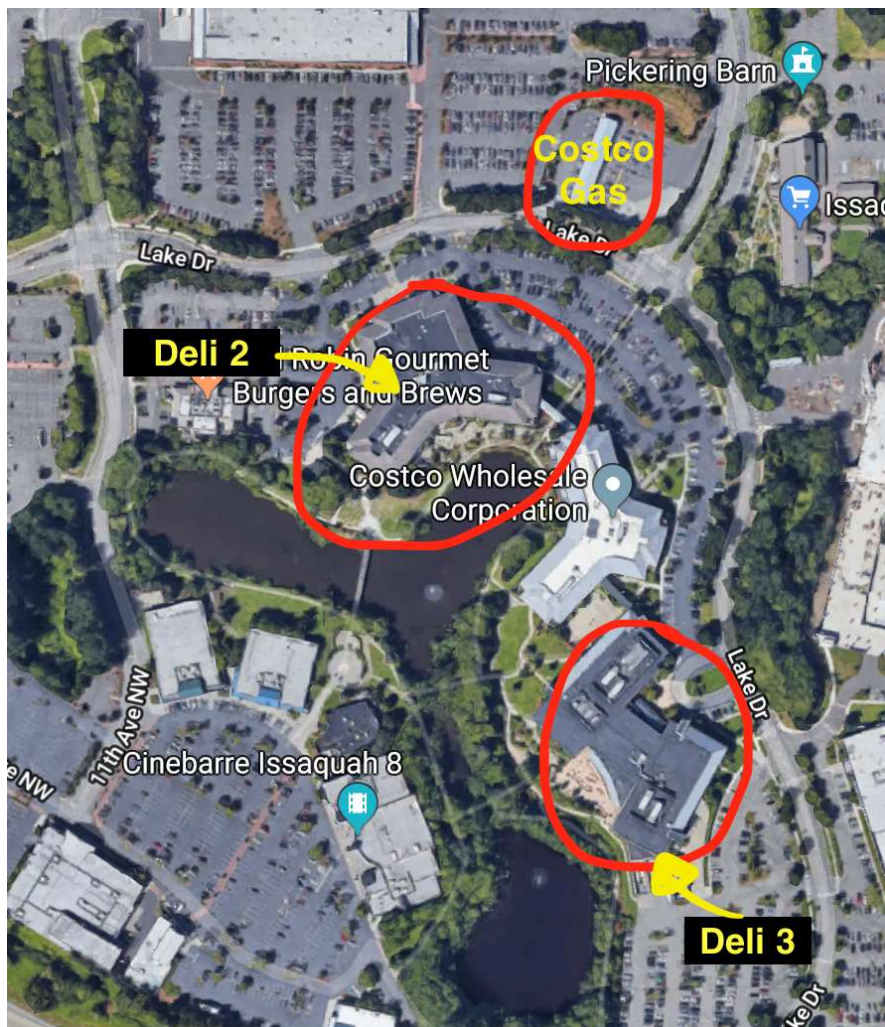

Host Procedure:

1. Identify to the driver where you want the glean to be physically hosted. It is recommended that a tarp or some kind of coverage be provided to prevent bird and small animals from getting into the bags. Host must have some kind of cooler for deli and frozen items.
2. If a participant fails to pick up his or her glean by 8pm, please make a courtesy reminder call to them. If they are still not responsive, please report the incident to a team manager.

Participant Procedure:

1. After being contacted by the driver, arrive at the host site at the time given and pick up no later than 8pm (unless other arrangements were made with the host).
2. Locate your name on the sign out sheet and sign your name.
3. Check the bottom of the sign out sheet to determine your share of the glean.
4. TAKE ALL OF YOUR SHARE. Ask host if you have any questions.
5. Notify driver(s) if you will not be participating in glean. Give 24 hours' notice.
6. If you post items on social media make sure that no store or brand names are visible in your posts

Participation Note: At this time, there will be four different participation lists – two for Fairwood and two for Highlands. You can sign up for only one list to ensure equitable distribution of the glean across the group until we gauge interest as well as average intake. If you are unable to participate on the day you are assigned when the schedule comes out, you can switch with someone else but cannot be added to another day without switching with someone to keep the number of people on the participation lists somewhat equal.

Procedures for Bartell Drugs Glean

The Bartell Drugs stores call the respective drivers when they have a box full and ready for pickup.

The Bartell Drugs Coordinator stores items until there is enough to call a group to participate.

No member of Renton Community Co-op will post items gleaned from Bartell Drugs on social media sites that are open to anyone other than Renton Community Co-op members. Members wishing to be included in the Bartell Drugs rotation must agree to abide by this policy.

Procedures for Grocery Outlet Glean

The Grocery Outlet (GO) stores call the coordinator when they have items available for pickup. The call-out for GO varies depending on the quantity of items that are gleaned.

Standard Flash Callout (Skyway, Sunset, Kent): The GO coordinator will send out an email and text notifying member that have opted to participate in GO gleans that there will be a glean pickup that day. Members that want to participate respond to the email and pickup that same day. Pickup instructions will be provided by the GO coordinator or whoever is supporting to drive and host that day.

Glean locations will alternate between Fairwood and Highlands. Members can participate in a glean regardless of where it is being hosted

Crossroads Callout: Gleans from the Crossroads GO will be picked up on Wednesdays and hosted in the Highlands. Each week, the coordinator will call or text the number of participants for which there is a share, based on the quantity of the glean. If a participant cannot pick up by 10pm that day, notify the coordinator and you will go to the top of the list for the next week. All communication will be via the GO Subgroup. If there is no donation that week, Crossroads Coordinator will notify the GO Groups.io thread.

First Come First Serve Callout: In the event of excessive items being received, the GO coordinator will notify members via text and/or email that items are available for pickup and where. These items are first come, first serve although it is requested that you be considerate to others from the group that may be still coming. Members picking up are requested to take a picture of what is left and

send it to the entire group with the time of the picture so that others can determine if they want to drive out to pick up.

Procedures for Top of the Hill Produce Glean

5325 NE 4th St, Renton, WA 98059

Monday-Friday, 6pm

Saturday-Sunday, 5pm

The Top of the Hill Produce (TOTH) glean pickup schedule is done on a volunteer basis, managed a month at a time via the TOTH Sub-Group and published in the monthly group calendar.

Drivers should arrive at the store on their scheduled day at 6pm Monday through Friday and 5pm Saturday and Sunday and proceed to the back of the store, identifying yourself as a member of the RCC here to pickup the glean. Bring your own box or an employee can provide one for you. Count each bag of produce and report the total to an employee before leaving.

TOTH glean does not have participants and the driver keeps the entire glean.

The Gleaner's Garden

First plant five rows of peas:

*Patience
Promptness
Preparation
Perseverance
Personal accountability*

Next plant three rows of squash:

*Squash gossip
Squash criticism
Squash indifference*

Then plant seven rows of lettuce:

*Let-us be faithful to our commitments
Let-us be unselfish
Let-us be flexible
Let-us be considerate of one another
Let-us follow rules and guidelines
Let-us maintain a servant's heart
Let-us be forever thankful*

And no garden is complete without turnips:

*Turn-up for important meetings
Turn-up with a smile
Turn-up with good ideas
Turn-up with determination to
Make everything good and worthwhile.*
