Who we help

In 1986, twelve churches established Sandhills/Moore Coalition to alleviate hunger and financial strains of struggling households in Moore County. Today, Coalition supporters include individuals, businesses, civic groups, and congregations throughout the community.

Each year the Coalition receives over 4,000 requests for assistance. Those served are typically working diligently to make it on their own and simply need a hand up to help them through a difficult time.

The Coalition offers assistance with food, seasonal clothing, utilities, rent and emergency medical services. Job counseling and transportation are also available. Visit our website at www.sandhillscoalition.org for more information.
