

BRINGING
HOPE
THROUGH
HEALTH
CARE

GOAL

It is the goal of Morning Star Center for Social Progress to help provide sanitary and medical supplies for the medical needs of impoverished African communities.

SERVICES

The clinic provides the following services: physical check-ups, pre and post-natal care, intensive care, surgery, lab, pharmacy, vaccination, and treatment of common illnesses (malaria, typhoid, yellow fever, etc.).

NEEDS

We are constantly in need of medical supplies or equipment.

DONATE TODAY!

If you are interested in donating medical supplies or equipment please contact us by phone at:

303.359.0065

or email us at

health@msc-africa.org

Your financial donation is also welcome as it will help cover the shipping cost of medical equipment, purchase medical supplies locally, and expand the clinic!
