### Practice Information:

- **Where-** Eastway Bowl on E. 10<sup>th</sup> Street.
- **When-** Non-Ramp Athletes start at Noon and Ramp Athletes start at 2:30 p.m. Athletes are done when they have completed three games.
- **Food-** We will not allow food in the lanes so please eat before or after bowling practice. This will assist us in completing the games on time and help us to keep the lanes clean.
- **Drop Off-** You must stay with your athlete until bowling starts. You need to ensure your athlete is in the proper lane and ready to bowl (bowling shoes on and have a bowling ball selected) 10 minutes prior to their scheduled start time. If your athlete is not in their lane ready to bowl by the first frame of any game, they will have to wait until the next game to bowl. ***This would count as a missed game and will be required to be made up.***
- **Pick Up-** You need to be back to the bowling alley to pick your athlete up at **2 p.m.** for non-ramp bowlers and 3:30 p.m. for ramp bowlers.
- **Missed Games-** Athletes need to be at all practices. If there is a reason they are unable to attend you need to give advance notice to their coach or Heather.
  - All missed games **MUST** be made up by the following week or the athlete will be dropped and unable to participate. Make-up games are at the expense of the athlete. Special Olympics will not cover the expense of any make-up games.
  - Give the scores of the missed games to the coach in your athlete's lane or email them to [Emily.L@sosiouxfalls.org](mailto:Emily.L@sosiouxfalls.org) (please do this prior to the next practice)
  - If your athlete is not in their lane ready to bowl by the first frame of the game they will have to wait until the next game to bowl, and this would count as a missed game.
