Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a *Summary of Benefits and Coverage (SBC)*, which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBC is available on the agency website at www.ok.gov/sib. A paper copy is also available, free of charge, by calling Employees Group Insurance Division, Member Services, at 1-800-752-9475.
