### **SERVICE COMMITTEE / GRANT PROGRAM**

Welcome to the Soroptimist International of Carson City Service Committee / Grants Program. All of our members wish you the best in your efforts on behalf of your organization and its specific needs.

We are the largest classified business and professional women's service organization, with over 100,000 members in 115 countries. The first Soroptimist International charter was signed in Oakland, California, on October 3, 1921. Soroptimist International of Carson City was chartered on June 8, 1957. Our members are actively engaged in professions and careers and come together for mutual support, friendship and to serve the community.

Areas of service for Soroptimist International include health, education, economic and social development, international good will and understanding, human rights/status of women, and the environment. Projects in these areas will be considered for funding.

Our Service Committee / Grants Program was designed specifically to distribute funds to worthy causes in our local area who have not been selected as one of our "partner" projects. Our "partner" projects receive funds from specific fund-raising efforts.

To apply for funds, please complete the application and supply the required attachments. **Please submit your application no later than Friday March 30, 2018.** You can mail your application to:
