Presentation and Lunch	12:00 – 1:00

Please register online at www.appraisersofhouston.org and click on “Meeting Registration”. For questions contact Pamela Bensoussan at ArtandAntiqueAppraisers@comcast.net

Mark Sandler is a graduate of the Gemological Institute of America, and appraiser at Designer Jewels, Inc. in Houston. The business was founded in 1968 by his father Robert Sandler, who was the President of the Houston ASA Chapter in 1966! Mark is the ASA Region 3 Governor.

The Sandler Family has been designing handmade jewelry for five generations. "Designing Jewels" began over 100 years ago with Bob's late grandfather, Aaron Sachs, in Russia, continued by his late father, Joseph L. Sandler and subsequently by Bob, Mark, and his son Joshua. At the Sandler's Houston-based workshop they restore jewelry and create fine jewelry designs specializing in certified diamonds and certified gems.

This month's meeting is a rare 2 for 1. Bring your questions about ASA and the jewelry market!
