Join us for a two-day family-oriented festival with live music, craft and food vendors, hay rides, historical demonstrations, pumpkin carving, scarecrow making, Smokey Bear and the legend of the “Hairy Hand.”

Most activities are free!
Fall Furnace Fest is not only a fun family weekend, it’s a primary fundraiser for the Friends of Pine Grove Furnace State Park.

Friends projects at Pine Grove Furnace include support for environmental education programming, invasive plant removal, and trail restoration. In recent years, our group repaired the old furnace stack, installed playgrounds in the park, and built a 55-foot trail bridge across Mountain Creek. This year we purchased a kayak “EZ Dock” for Laurel Lake and opened a small library in the family campground.

In 2020, we hope to install a pedestrian bridge to link the Koppenhaver and Mountain Creek trails. By connecting these two trails, you will be able to hike on trails all the way between Laurel and Fuller Lakes.

Please join us in helping to ensure that Pine Grove Furnace continues to be one of the best state parks in Pennsylvania.

All proceeds from Fall Furnace Fest are used to support recreation, education and conservation at Pine Grove Furnace State Park.
