

Happy Easter! Hope the month of March didn't blow you away, those winds were something else. I am so glad we have the center for you to come to and stay warm and safe.

We have started some trips back up now that winter is fading away and

a new bus to travel on. So please when in the center try to check out our trips and sign up. If a trip is full please let me know you're interested and I will schedule another in the short future for you to go. Our new bus only holds 16 passengers.

Game nights are the 1<sup>st</sup> and 3<sup>rd</sup> Thurs of the month, it has started to pick with 31 people at our 1<sup>st</sup> night in march. It is a night of socializing and fun. So come on in and check us out on those nights, it's from 4-8pm. We play Pinochle, aggravation, hand and foot, Yahtzee, scrabble and more.

I would like to thank everyone for your support while Renee was out and hope Ray and I made you and Renee proud. I am so glad that she made it thru and coming back to work. Thanks for all your prayers.

Until May.....Keep Smiling!

Cathy
