

Happy Easter! Hope the month of March didn't blow you away, those winds were something else. I am so glad we have the center for you to come to and stay warm and safe.

We have started some trips back up now that winter is fading away and

a new bus to travel on. So please when in the center try to check out our trips and sign up. If a trip is full please let me know you're interested and I will schedule another in the short future for you to go. Our new bus only holds 16 passengers.

Game nights are the 1st and 3rd Thurs of the month, it has started to pick with 31 people at our 1st night in march. It is a night of socializing and fun. So come on in and check us out on those nights, it's from 4-8pm. We play Pinochle, aggravation, hand and foot, Yahtzee, scrabble and more.

I would like to thank everyone for your support while Renee was out and hope Ray and I made you and Renee proud. I am so glad that she made it thru and coming back to work. Thanks for all your prayers.

Until May.....Keep Smiling!

Cathy
