

Second Chance Animal Rescue of Connecticut Cat Adoption Application

Adoption Requirements

All currently owned dogs and/or cats must be spayed/neutered and up-to-date on rabies. We will verify this with your veterinarian.

We do not allow declawing of cats. This is part of our adoption contract. If a cat adopted from us is declawed we reserve the right to take it back due to breach of contract. Please read more about declawing before you decide. It is a painful procedure that is being outlawed in many states due to its cruelty. If you wish declaw, we ask that you look to adopt elsewhere.
