DITCHES & STORM WATER DRAINAGE

With the spring season approaching our area, we wanted to remind residents to remove all debris from their ditches and curbing, examples include: sticks, leaves, debris, etc. This is your responsibility! This will help avoid any blockage and possible flooding problems within your neighborhood. This helps you and your neighbors!! Hopefully, with your help our storm water drainage system will be able to handle any weather that comes our way!!

REMOVAL OF GARBAGE CANS

Unfortunately, this is still an ongoing problem with many residents in our village. In Ordinance No. 11-10, all containers of garbage and recycling, shall be removed from the collection place sites within 24 hours of set collection day. **This means you must remove your cans from the street!** While in use during the week excluding the contracted pick up day, all containers must be kept behind the face-line of the individual premises being served. Also, that no container shall be placed so as to constitute a nuisance to adjacent property and to the occupants. Lets be courteous to our neighbors and bring our cans back to the rear of the residence! Thanks!!

STREETS

The Village is aware the shape the roads are in. We are working hard to try and repave the worst roads when we have the revenue to do it. The costs of repaving our roads are extremely expensive and we can only spend what money we have taken in. Please be patient with us, we do not want to raise taxes or obtain bonds in order to correct our streets. This will be an ongoing project for many years to come. Our Street Crew will be out patching what we can up through the fall.

SOLICITOR'S PERMIT

Any persons knocking on your door selling anything must have a solicitors permit that is acquired through the Grandview Police Department. If someone knocks on your door, ask them to see their permit. If they do not have a permit please call the Grandview Police Department at 622-4626. The Village Office still has No Solicitor signs at no costs to the residents.
