The Village of Grandview along with the Sierra Club and BLH Computers are offering a free electronic drop-off for residents starting. . .

**Friday - September 7th until Saturday - October 6th**

**You are invited** to take part in this important drive to help reduce dumping and insure electronics are properly recycled. As part of this program, all Village residents are eligible to drop off televisions and/or CRT (tube) monitors at no cost. These items are limited to 3 per car load. BLH will ask for ID when items are dropped off. Hours will be 9:00-5:00 Monday through Friday. 10:00-5:00 on Saturday. This is a residential recycling event. No business's will be allowed.

**ITEMS PROHIBITED:** any bathroom/kitchen appliance electronics, open glass CRT or broken glass TV.

**BLH Computers is located at 1832 Stevenson Drive, Springfield, IL 62703. Drop off hours are Monday thru Friday 9:00 am to 5:00 pm. Saturday 10:00 am to 5 pm.**

The hours for Village of Grandview Trick or Treating will be from **5:00 p.m. to 8:00 p.m. on October 31, 2018.** If you will be passing out candy at your home, please turn on your porch lights during these hours. **Homeowners helpful tips:** Make sure your yard is clear of such things as ladders, garden hoses, dog leashes, flower pots, these objects can trip the young trick or treaters. Bring your pets inside. They become frightened easily on Halloween and you wouldn't want them to bite anyone, or break their leash and accidentally get hit by a passing car.

**Trick or treaters helpful tips:** Carry a flashlight with fresh batteries, walk, do not run, you could slip and fall down, stay on the sidewalks or on the left side of the road facing traffic, obey all traffic signals, cross the streets at the corners with adults, avoid wearing your mask while walking from house to house, visit houses only with the lights on, always go to the front door NEVER the back door. Stay away from all animals.

**Motorists:** If you are driving through the village on this night please be aware of the children walking and please drive slow while you are in populated areas. **THANK YOU!!**

**TALL GRASS**

Grass and weeds have been growing at a high rate of speed. With this in mind, we would like to remind residents how important it is for you to keep your front, back, and side yards cut and manicured. This will help keep our Village looking nice and will cut down on the bugs and rodents. Please try and clean up any unwanted items that are in your yard. Unfortunately, this is still an ongoing problem with many residents in our village. In Ordinance No. 11-10, all containers of garbage and recycling, shall be removed from the collection place sites within 24 hours of set collection day. **This means you must remove your cans from the street!** While in use during the week excluding the contracted pick up day, all containers must be kept behind the face-line of the individual premises being served. Also, that no container shall be placed so as to constitute a nuisance to adjacent property and to the occupants. Lets be courteous to our neighbors and bring our cans back to the rear of the residence! Thanks!!

## ONLY BURNING ALLOWED IS YARD WASTE

The burning of yard waste may only take place on Wednesday, Thursday & Friday and Saturday, 9:00 a.m. to sunset, and only if:

- A. the wind speed is 15 miles per hour or less
- B. There is at least one person, age 16 or older, constantly tending the fire;
- C. Excessive smoke is not caused thereby; and
- D. The person tending the fire has ready access to a garden hose or other water supply.

Yard waste includes: grass and shrubbery cuttings, leaves, tree limbs and other materials accumulated as the result of the care of lawns, shrubbery, vines and trees.

The Village Board of Trustees wants to remind all residents that you may burn **YARD WASTE ONLY**. The Grandview Police Department has been called out to several residences where they have been burning garbage. **This is not acceptable**. Our officers will issue a ticket for this ordinance violation. The violation could result in a hefty fine.

Recreational fires are permitted as long as they are contained and the wood that is burning has not been treated with any chemicals!! Please have an adult monitor the fire at all times. **NON BURNING DAYS ARE SUNDAY MONDAY & TUESDAYS!!**

### BUILDING PERMITS

Sangamon County Building and Safety Department issues all building permits for our Village. Only fence permits are obtained through our village office. Once you have been given a permit from either office that **permit must be displayed** in a front window or door for all to see. If a village official does not see a permit, work will stop until one is provided. Save yourself time, post the permit!

### MUNI BUILDING RENTAL

Are you planning a wedding, birthday party, or a get together and you realize you do not have the room to "house" everyone you would like to invite? Consider renting the Muni Building at 1620 N. Milton. Capacity is 200 people and there are over 25 tables, 195+ chairs, separate bathrooms and a kitchen for your convenience.

**Rental fees for a resident are:** Sunday - Thursdays \$200.00, Friday & Saturday are \$325.00. There's a \$200 deposit also but you get that back if there is no damage and the building is clean! Rental fees are higher for Non Residents. Call Lisa early to reserve your special day at 528-7624!!

### SMALL ACTIONS = BIG RESULTS

Simply by making a few minor household repairs and few changes in your daily routine, you can save thousands of gallons of water each year. If that sounds impossible, consider these numbers:

IF YOU SIMPLY DO THIS	YOU CAN SAVE THIS MUCH WATER EACH YEAR
Fix a faucet with a slow drip	4,200 gallons
Fix a leaky toilet	73,000 gallons
Install low-flow aerators on kitchen and bathroom faucets	8,600 gallons
Turn off the tap while you are brushing your teeth	10,220 gallons *
Wash one fewer load of clothes per week	2,600 gallons

\*Presuming that, as dentists recommend, you brush twice a day for two minutes.

**1 unit of Grandview water is equal to 1,000 gallons**
