

Helen Gee Chin Scholarship Foundation Online Auction Fundraiser

Our Silent Auction fundraiser campaign is under way! From the fundraiser page at <https://www.betterunite.com/TheHelenGeeChinScholarshipFoundation-helengeechinscholarshipfoundationonlineauctionfundraiser> click on View Auction to see the items. We plan to upload items as they come in, so check back often. Thanks to our donors and bidders!

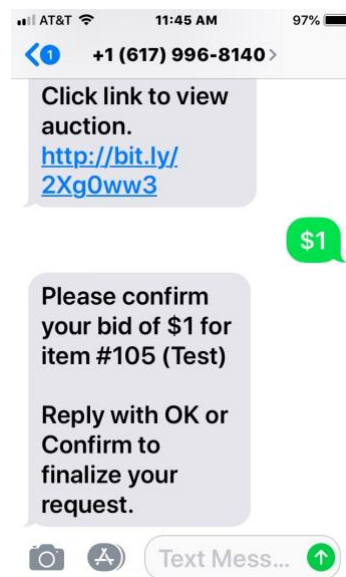

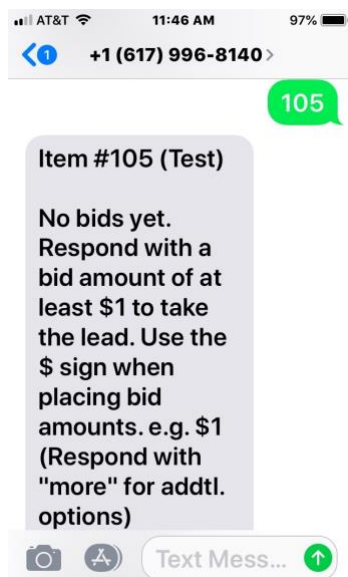

Please note that this auction will take place online first, and then end at our Open House fundraiser at CCAA, 66 Winchester Street, Newton, MA 02461 on July 13th, starting at 12pm.

- **PART 1 will be an Online Bidding Process** using the BetterUnite platform. Online bidding will end at 2:45pm EST on July 12 (the day before the Live Auction begins). When online bidding ends, the highest bidder will be placed at the start of the bid sheet.
- **PART 2 will be the Live Silent Auction** taking place AT OPEN HOUSE. Items will be on view and bids can be placed on bid sheets, again, with the highest online bidder being the first bid. The bid sheet will be set up with predetermined increments.
- **The entire auction will end on July 13 at 2:45 pm EST (tentatively at the end of intermission)**, and the highest bidder on the bid sheets will win the item!

Having both online and live bidding will allow people who aren't able to come to Open House to support the cause, participate in the auction, and possibly win if the bid is high enough! If there's an item you are particularly interested in, you may assign a proxy to bid for you.

For online bidding, the bidding process is:

- View the [Auction Page](#) and Register Bidder to provide your name, email and cell phone, OR
- Text the item # to (617) 996-8140 to register, bid or purchase. (Message and Data Rates May Apply. Reply STOP to unsubscribe.)
- Once you enter a bid, you will receive a text asking you to confirm your bid:

During the online bidding process, you will receive a text if you are outbid. However, you will get no such notices during the live auction bidding at Open House. Keep an eye on your items! Good luck!
