2013 Price List

Endura C2™

If the Endura™ name looks familiar, it's because you've seen it on thousands of transoms over the years. The most popular trolling motor on the water is built to explore and built to last. Day after day, year after year - like no other.

Endura C2 Transom Mount Series

Endura MAX™

With the all-new Endura Max, the day isn't over until you say it's over. The power of Digital Maximizer keeps you out on the water up to five times longer on a single charge. So pack lunch - and while you're at it, dinner. This could take a while.

Traxis Transom Mount™

If a trolling motor is essentially a boat positioning tool, then this is the Swiss Army Knife. Traxis™ is loaded with control features that put your boat right where you need it, day in and day out. From easy, one-hand stow and deploy to versatile steering tension control. You just name the occasion, Traxis will rise to it.
