

2018-2019 TURNING POINT **Board Meeting Schedule**

CONFERENCE CALL NUMBER 605.475.4000, access code: 278543#

Please mark your calendars for these dates and plan around them so we have full participation. **Every board member is an important part of our team!**

- To accommodate members who live some distance away, we hold in-person board meetings only four times a year.
- **One of the four in-person meetings will be a day-long retreat in August.** This is an important planning meeting for the year. We hope that with this much advance notice, those who work will take a personal or vacation day to be with us.
- In 2018, exceptions to “Meetings are the third Tuesday” are the workshop in August and November’s In-Person meeting. (moved to avoid Thanksgiving week).
