***“With your votes, you can count on me to get the job done.”***

### **IMPROVE AFFORDABILITY**

*Austinites deserve to thrive in Austin.*

We will implement cost controls in utility departments, lower utility fees, develop a City of Austin Homestead Exemption and reduce subsidies to big corporations.

### **MAKE CITY HALL ACCOUNTABLE**

*Less waste and more common sense.*

We will lead efforts to change the culture of City Hall from wasteful spending to a more frugal mindset.

### **PROTECT OUR NEIGHBORHOODS**

*Integrity and safety of our neighborhoods is key.*

We will protect our quality of life and ensure EMS, Fire, and Police have the resources they need.

### **GROW OUR LOCAL BUSINESSES**

*Spend more of our tax dollars locally.*

We will increase the number of City contracts awarded to our local businesses.

### **PROVIDE REAL TRAFFIC SOLUTIONS**

*Efficient roadways lead the way to progress.*

We will optimize traffic light timing and roadway and ramp design to improve mobility.

### **SAFEGUARD OUR ENVIRONMENT**

*Our health starts with our environment.*

We will conserve water by supporting rainwater collection, repairing leaks, and re-using gray water.

**Experience. Courage. Integrity.**
