My name is Gregorio Casar , and I'm running to serve you on the Austin City Council.

I've spent most of my years in Austin living in and around what is now City Council District 4. More importantly, I have a long track record of leading successful efforts at City Hall to improve the lives of our neighbors in Northeast Austin. Even when powerful lobbyists fought against us, I helped pass policies raising wages for workers and holding developers accountable for illegally not paying fees they owed taxpayers.

As your Council Member, I'll keep fighting for working people. Here are some of my priorities:

1) Tax relief and utility bill relief: I support a homestead exemption that will reduce the tax burden on homeowners. We also need to lower our skyrocketing utility bills: currently, affluent people in places like Lakeway get their electric bills subsidized by renters & working class people in North Austin. That's not fair.

2) Housing that's affordable for families: We need to develop more housing near where people work to increase competition among landlords and keep prices affordable. More housing near where people actually work will also reduce traffic. Large developers should also be required to provide more affordable housing when they build luxury projects.

3) Public safety solutions: We need more walking patrols in dense parts of North Austin so that law enforcement can get to know our neighborhoods and earn the trust of our communities. With the community as an ally, not an obstacle, our public safety resources are more effective.

To get this work done and more, **I humbly ask for your vote.** Please join the hundreds of neighborhood leaders and community groups supporting my campaign. If you're still unsure, give me a call! As your neighborhood representative at City Hall, I want you to be able to contact me personally on my cell phone: (512) 962-8708.

-Greg

We're a group of your neighbors in the Lanier High and Cook Elementary areas writing to enthusiastically support **Gregorio "Greg" Casar** for our new **Austin City Council District 4**.

Greg cares a lot about our neighborhood. You might recognize him as a regular basketball player at the YMCA and a leader on immigration & civil rights issues in town. He cares about improving our area, while preserving Austin's soul by making sure everyday people aren't pushed out of the city as we grow. Greg also has taken the lead on innovative public safety solutions, like new voluntary City of Austin ID cards for those without licenses.

Greg has a track record of standing with working people against powerful special interests. For example, he recently held the largest hotel developer in Austin accountable for not paying \$3.8 million in fees due to taxpayers like us. He's been instrumental in passing many policies to create good, living wage jobs for thousands of Austinites who need them most.

Greg is the only candidate in this race that is talking about tax relief and targeted utility bill relief to keep North Austin affordable for everyday people. He's committed to making sure our families have a voice at the City so that communities like ours don't get left out.?

If you want the Austin of the future to be inclusive, affordable, and fair, then please join us by **voting for Greg on November 4th**.

And if you're still unsure, give Greg a call yourself! He's the kind of guy that doesn't fear giving out his cell phone number: (512) 962-8708. Or you can e-mail him at greg@casarforcouncil.com.

Dear Neighbor, (español abajo)

The stakes are high in this November's election. Our area will elect our first ever City Council member, who could either improve or worsen our affordability & transportation problems.

My major opponents in this race are proposing tax cuts for homeowners, without offering equitable assistance for renters. We shouldn't leave anyone behind in Austin. I, myself, rent an apartment: that's why my campaign has focused on lower utility bills for renters like us, *paired with* homeowner tax relief.

Please make sure you're registered to vote with a correct address **before October 4th**, otherwise, you will not be able to vote for your local representatives in this November's election.

I've left you with all the info you need to register to vote or update your address. I hope to earn your support!

Feel free to contact me on my cell-- (512) 962-8708-- if you have any questions.

Yours,

Gregorio "Greg" Casar
