

Racial Disparities in the Homeownership Rate, Minnesota, 1960-2013

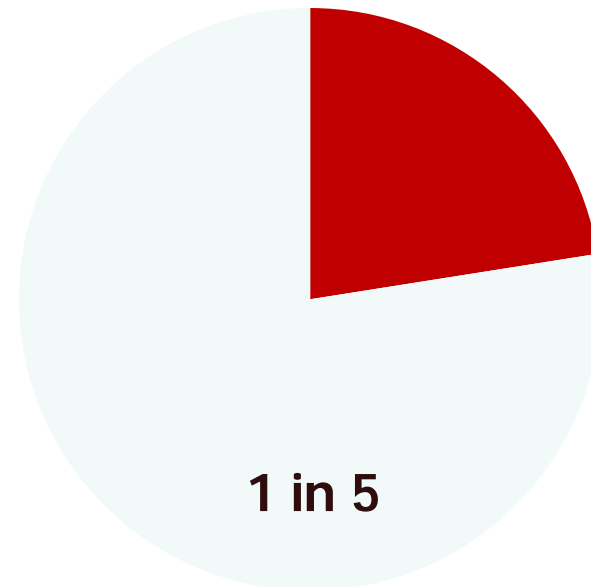

Source: MHP tabulation of IPUMS data

Chance of being an extremely low-income (ELI) renter in Minnesota if you are:

White, non-Hispanic/Latino

Non-white or Hispanic/Latino

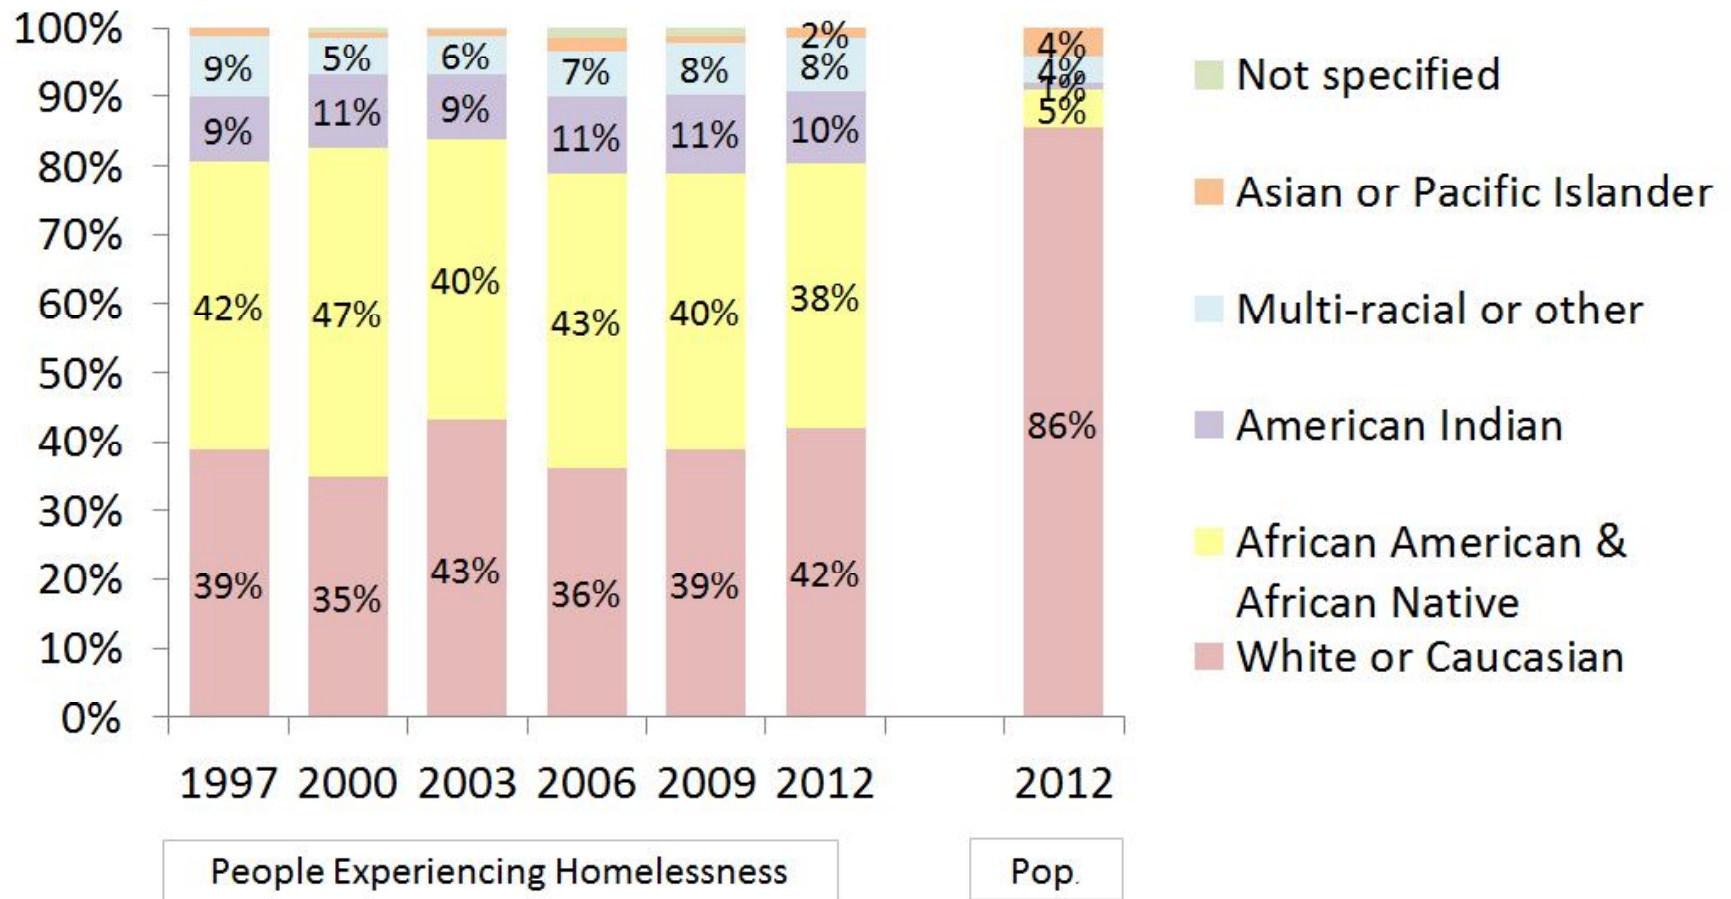

ELI renters have incomes at or below 30% of the area median income.

Approximately 80% of ELI renter households in Minnesota experience housing cost burden, overcrowding, or incomplete kitchen or plumbing facilities.
