In the picture below is Deborah. She is the only female judge mentioned in the Bible. She was known to be a compassionate leader. She was the Judge of Israel and was the one that prophesied the Canaanite defeat by Barak and conquered the troops of Sisera.

Dear Friends,

If Lent is real and meaningful for you, it is a journey, a spiritual deepening. Remember that it is we who make it meaningful and real; that is why we give up and/or take things on we don’t at other times. It’s important to acknowledge that suffering, of itself, doesn’t produce anything of value. Like author of “The Road Less Traveled” Scott Peck said, “There is no virtue inherent in un-constructive suffering.” Another one of his valuable quotes: “If your goal is to avoid suffering, I would not advise you to seek higher levels of consciousness or spiritual growth (evolution).” My own experience of spiritual discipline is that where I expected pain or loss, I have the surprise of peace, joy and strength. But we have all been through a lot this past year (it was a year ago the pandemic hit, almost exactly). Given that, I recommend being gentle, but still marking the season in some way. I’ll share with you what I’m giving up and what it is I’m taking on for Lent.

Giving up: Harsh words. This includes the harsh way I may view other people. It requires self-examination, as I remind myself that I will interpret others’ words and actions as I typically see them. I have an “established” filter through which I view them. Stepping back and re-considering them, asking to see them the way God would, shifts that filter. This includes managing my own feelings of defensiveness or victimhood (and not holding others responsible for that). My words come out differently when I do this. Taking on: Gentleness. This is a companion to giving up harsh words. They might be even different sides of the same coin. That is, do one, the other follows. Usually, not always. When I was in junior high school, my counselor told me, “You use explosives when a bb gun would do better.” Gentleness. That’s my goal, in thought and deed. That, of course along with our Wednesday night Lenten service! Please do consider tuning in on Zoom, 7pm, the following Wednesday evenings: March 3, 10, 17, & 24. There will be no Wednesday Zoom service in Holy Week, when we gather for Maundy Thursday, April 1st...no joke!

And then...Hallelujah! Easter Sunday, smiling, praying, celebrating, giving thanks... (and wearing masks) at 10:30AM! I am trying to get to know you all, by mail, email, phone calls, in-person, any way that I can. You are ALWAYS welcome to call me, for any issue you may have or just to chat. As warmer weather and vaccinations become reality, I look forward to seeing and getting to know you better.

God’s love and blessings,
Pastor Julie
Mar 14, 2021 - Daylight Saving Time Starts

On Sunday, March 14, 2021, at 2:00 a.m. clocks are turning forward 1 hour to 3:00 a.m. Local Daylight Time instead. Sunrise and Sunset will be about 1 hour later on March 14, 2021 than the day before. There will be more light in the evening. It’s also called “spring forward,” “summer time,” and “daylight savings time.”

Facts About Daylight Saving Time

- In 1978 Benjamin Franklin proposed DST but as a joke initially. He pitched it as a money saver. At this time people were conserving wax rather than electricity.
- A case was proposed in New Zealand in 1895 from a bug collector. He stated that he was frustrated that the sun rose too early and to spring the clocks forward, allowing him to catch more bugs. His attempt wasn’t successful.
- In 1916, Germany was the first country to make DST into a law. In 1918 the time officially changed and spread to the U.S.
- Students who take exams closer to the start of DST may get lower scores. It has been shown to affect sleep in high school students which can lead to sleepiness.
- Arizona doesn’t change their clocks. Their summers can sometimes reach over 100 degrees so they prefer to have shorter days.
- Hawaii has also chosen to not do DST.

Pump organ manufacture was a thriving business at the turn of the 19th century. Estey and Mason & Hamlin were popular organ manufacturers during this period with Estey, of Brattleboro, Vermont, being the world's largest pump organ builder. Estey employed approximately 700 people and manufactured around 500,000 pump organs between 1846 and 1955. In 1900, a new pump organ cost about $200. Beginning in 1885, pump organs made by the Boston firm of Mason & Hamlin used a suction bellows, a method of operation soon adopted by all others in America. With the suction bellows, organs were capable of greater expression as well as producing a crescendo and diminuendo.

Our Pastor has been fully vaccinated! If you would like a brief visit on a Monday or Tuesday, please call at the church office (413)569-6362 or her cell phone (937)409-1375. She is eager to make your acquaintance in person.

Maundy Thursday
Did you know that the word “Maundy” is from the Latin word Mandatum, which means “mandate?” This is from the Last Supper, when Jesus gives a “new commandment:” A new commandment I give you: Love one another. As I have loved you, so you also must love one another. – John 13:34

Good question for Lent: How are we doing with that?

Respectfully submitted,
Melanie Nitsch, Clerk

Addendum to the 2021 Budget
A line item for $750 for the Music Committee was inadvertently omitted from the budget and will be added back in. This money was budgeted and used in previous years but due to the pandemic was not spent in 2020. The fund is used for substitute pianists to fill in for Roberta during her much-deserved vacations.

Please contact Melanie Nitsch or Terry Putnam if you’d like to have more information on this addition.
Jim requested if there is anyone in the congregation who has IT knowledge to volunteer to help us with some consulting on the technology upgrade. If not, we may have to hire a professional. Pastor Julie said First Church in Westfield got some IT upgrades from the City of Westfield after volunteering some of their church’s empty classrooms to be used for remote learning for the city’s school children. Terry hoped that we will consider this year as a re-building year financially as we ready ourselves for a settled pastor to help us invest in the future of our church. A motion was made by Jim Putnam to accept the Proposed 2021 budget as submitted, which was seconded, followed by some brief discussion, and then the vote was taken showing one “no” vote and the remaining majority votes all “yes”.

Nominating Committee:
Patti Wood, chair of Nominating, made a motion to accept Robert Bates to the Deacons’ Committee. The motion was seconded, voted upon, and passed unanimously.

New Business:
The technology upgrade, as previously discussed, will be forthcoming this year. A new Search Committee has been formed to work with the First Congregational Church of Westfield’s Search Committee to find a shared pastor. The proposed new members are Ann Ottalagana, Jim Putnam, Flo Pitoniak, Bob Franzen, and Eric Nitsch. The Moderator thanked our previous Search Committee members for their hard work. A motion was made, seconded, and passed unanimously to accept these members for the new Search Committee.
The Moderator offered that our church was encouraged to first share an interim pastor with the Westfield Church before sharing a settled pastor so both churches can work out any issues from the joint relationship. With the Westfield Church anticipating in-person worship to begin on Easter in April, and Southwick already doing in-person worship, we will need to work out a worship schedule so that Pastor Julie can serve both churches on Sunday....
Our in-person Maundy Thursday service will be held on Thursday, April 1 at 6:30 p.m. The service will also be recorded for those who cannot attend.

Kids of all ages are welcome to join us on Palm Sunday, March 28, to participate in our “Palms Parade” in the church sanctuary! Children should gather outside on the church green at 9:45 to line up and get their palms.

Immediately following our worship service (at around 10:45 a.m.), the children are invited to stay for a “covid safe” Easter egg hunt hosted by our Christian Education Committee. All candy is wrapped and placed inside plastic Easter eggs. Kids are asked to wear their masks and bring their own baskets or bags. Please come and join the fun!

**Meeting Minutes, Continued**

we can to help with the needs of our church family during this pandemic time. The Flower Committee Report was read aloud by Terry Putnam as a posthumous tribute to Roxanne Cook, the committee’s long-time chairperson. Our Treasurer, Ted Orson, reported that expenditures have been down, thus the surplus in our budget for 2020, but the church itself should be very proud of our members for continuing to donate and support the church during this past pandemic year.

**Review of 2020 & Proposed 2021 Budgets:**
Melanie Nitsch asked to have Jim Putnam represent the committee for this discussion. A motion was made, seconded, and passed unanimously. Following the report printed in the Annual Report, Jim reported that for 2020 we ended with a surplus of $11,507, mainly because we did not pay an interim minister salary for approximately four months. Also, the church applied for and received a Paycheck Protection Plan loan from the government’s Small Business Administration in the amount of $11,000. This was used to cover salary and utility costs for the church to prevent any decision for a staff reduction. The Finance Committee will apply for forgiveness of this loan. Ted Orson and Jim Putnam worked on the 2021 proposed budget. Most figures were carried over from 2020 with two major exceptions:

* Funding for our half-time interim minister has been increased. These projected figures in the budget will be helpful when we call a new minister to share with the First Congregational Church of Westfield.
* There is a line item added under Special Projects of $5,000 for a greatly-needed technology upgrade for the church. The Treasurer’s laptop is 10-15 years old and the church office also needs a new computer. We want our workers in the church to have good tools to use. We may also want to expand our wireless capability throughout the building.
February 11, 2021
The meeting was called to order by Moderator Terry Putnam at 6:00 p.m. and was held in the Sanctuary and via Zoom. The Moderator reported on the rules to follow during the meeting to allow both in-person and Zoom attendees to participate. An opening prayer was led by our Interim Pastor Julie Olmsted, followed by a moment of silence to remember the thirteen who have passed on this past year within our congregation and the community. A motion was made, seconded, and passed unanimously to dispense with the reading of the Call to the Annual Meeting. A count was taken around the room with 10 voting members attending in the Sanctuary and 12 attending via Zoom – a quorum of 15 was achieved. The Moderator entertained a motion from the floor to accept last year’s Annual Report from the 247th Annual Meeting which was seconded, and with no discussion was passed unanimously.

Committee Reports:
Deacons, Mission & Outreach, and Pastoral Search had nothing additional to add to their committee reports. Buildings & Grounds asked members to watch for a Fall 2021 or Spring 2022 clean-up date. Christian Ed is hopeful to re-open Sunday School in the Fall of 2021. The Memorial Gifts and Religious Education reports were deferred and hopefully will be available shortly. The Music Committee, represented by Joyce Paggen, expressed a desire to increase compensation for our organist so she is more in line with the current salary range for church organists in the area. This was just for discussion with no motion made for now. The Security Committee report was deferred but guidelines for safety and security are being followed. Regarding special committees, the Moderator thanked the many Gold Dome helpers and a special thank you to Joyce Hamilton for running Henrietta’s Thrift Shop. Regarding Stewardship, the Moderator thanked all who continue to send in pledges, help with Missions, and come together as best

As of Easter Sunday, April 4, the times for our in-person worship service and for our zoom coffee hour will change for the foreseeable future. Our worship service will now begin at 10:30 a.m. and our coffee hour will start at 11:30 a.m.

Reminder
Out of respect for the safety of everyone, any person entering our church building for any purpose or length of time must wear a mask that covers both nose and mouth and maintain appropriate social distance.

We are following the most current CDC, state, and local guidance and will relax our guidelines only when it is safe to do so. Until that time, please help us prevent the spread of illness among our congregation by adhering to these rules.

Thank you in advance for your compliance.
~~Terry Putnam
