HOW YOU CAN HELP

STAR ALLIANCE is a grassroots, 501-c-3 nonprofit public benefit group promoting *Universal Civic Peace Values Education* since 1985. It's been a *long and winding road* — punctuated with wonderful achievements.

Now, as our concepts and educational materials approach a state of integrated maturity, you can get in on the fun part and enjoy the steep curve of rising visibility and further catalytic achievements that await.

Here are just a few ways you can help:

- Print, sign, and display at home, work, and in your community: the *trio* of documents: *Pledges and Declaration of Highest Civic Ideals — Good Will Values for All to Share*. [See *Good Will Documents* page.]
- Please let us know by email that you have signed.
- Make a Social Media post reporting your signature and referring your friends to our website.
- Make a donation of funds in any amount, one-time or recurring. If you like, you can specify your donation to be used in a particular area of our programs: locally, nationally, world, even space travel & planning.
- Buy a STAR ALLIANCE lapel pin, and wear it! (Please see photo above.) They are available for all those who commit to the *Highest Civic Ideals* and donate a minimum of \$10. (Of course there is no upper limit :-)
- Call or email to discuss how you can volunteer your time and skills, for example:
 - Website development
 - Bookkeeping
 - Database management and member contact
 - Office organization and new office search
 - Outreach to schools, congregations, and service clubs
 - Government contacts: City Councils, County Boards, State Legislatures, Governors, Congress, President(s)
