Promoting Civic Values for Sustainable Peace & Love • Since 1985

## • Young Peoples Promise for Peace & Love •

We young people promise to do our best: to learn all the great civic ideals & principles — or *rules of nature* — that help us enjoy lasting peace & love in good community — and to follow them! • Let us keep a *good will: wishing* always for *good* in our hearts! • Let us take care to protect ourselves & others while still staying honest, friendly, & understanding. • Let us *Communicate, Cooperate, & Celebrate* daily for a safer, better, more joyful time with family, schoolmates, & the whole family of humanity towards better lives & environments for all!

## Young People's Declaration of Highest Starry Ideals *Civic Principles for Lasting Peace, Friendship, Joy, & Love*

Like many flowers in a lovely garden, or *friendly stars* in the skies we share, WE — CHILDREN and YOUNG PEOPLE EVERYWHERE — WISH to be HAPPY and PEACEFUL TOGETHER in FRIENDSHIP FOR GOOD HEALTH, HARMONY, and a CLEAN and BEAUTIFUL ENVIRONMENT!

To *learn and earn* all these fine goals together, let us each try our best to understand and practice GOOD WILL & FRIENDSHIP PRINCIPLES — or rules of nature — for LASTING PEACE & LOVE! • Like the fingers of our hands that always work and play together in harmony without hurting the others, let us each try to be GENTLE and RESPONSIBLE to OURSELVES and OTHERS in our FAMILIES, SCHOOLS, COMMUNITIES, and EVERYWHERE. • Let us first wish for good — then *COMMUNICATE, COOPERATE, and CELEBRATE* — with LOVE!

Let us always TAKE CARE to PROTECT ourselves and one another. Let us get PLENTY OF REST including *Quiet Time* daily. • Let us be FAIR, KIND, and TRUTHFUL in our words and actions. • Let us UNDERSTAND, RESPECT, and ENCOURAGE each other for GOOD. Let us ASK for HELP and ACCEPT HELP when we need it, and try to HELP OTHERS as best we can, too! • Let us SHARE MANY GOOD THINGS. • Let us try never to hurt ourselves or others on purpose! • Let us CORRECT MISTAKES PROMPTLY, and try to FORGIVE each other for hurts and misunderstandings that can happen to ANYONE!

If things get difficult (and sometimes they *will*) — LET US TRY NOT TO STAY DISCOURAGED FOR LONG. Instead, let us keep on trying with OTHERS' HELP to follow all these great principles, like *guiding stars* on the paths of life. Just as the whole world shares many stars in the sky, let us all try to *share* these high ideals: to enjoy more INNER AND OUTER BEAUTY, HARMONY, and GROWING HAPPINESS for *everyone* who tries their best.

Let us remember our own special star, the SUN, gives us LIGHT and WARMTH every day. This reminds us of GOOD WILL, PEACE, and LOVE — the heart and sum of all our *Highest Starry Ideals*. When we do our best to live for these ideals, we shine like STARS for all to enjoy!

In this POSITIVE SPIRIT everyone can GROW BETTER TOGETHER, building our strength and STRONG TIES with ONE ANOTHER, our FAMILIES, COMMUNITIES, ENVIRONMENTS, and MOTHER EARTH. Let us always be mindful of the NEEDS of others — and of ALL THE GOOD WE CAN ENJOY TOGETHER — sharing more KNOWLEDGE, FRIENDSHIPS, ACHIEVEMENTS, and JOYS — *day after day, and year after year* — **“ALL FOR ONE and ONE FOR ALL!”**
