STAR CITIZENS

PLEDGE FOR ALLIANCE

• With All Our Highest Civic Ideals •

Pledge III of III • (Expanded)

With individuals, families, communities, nations, and peoples everywhere — to improve and safeguard our lives, achievements, and positive potentials together — we pledge our best efforts to align with a complete set* of clearly-declared *Highest Civic Ideals*: self-and-mutual good will and wisdom values — principles for all to learn and share in lively awareness! Empowered in commitment to genuine, sustainable peace and love; let us weave together with determination and hope: *civil unity amidst magnificent creative diversity!*

As all the fingers of the healthy hand harmonize in integrity — each one protecting and serving its teammates and receiving vital support from all others and the whole — may each and all of us try our best to respect, protect, and support ourselves, our communities, our local environments, and the *universal* society and environment upon which we *all* depend.

Responsibly and peacefully aligned in this way, we can achieve and sustain security and healthier, happier lives together — rewarded with creative liberties, lasting achievements, and fulfillment!

To facilitate this great endeavor, may everyone first meet all their basic needs daily — including deep rest and energetic nourishment, effortlessly gained; from inner, silent, transcendental consciousness.³ Thus refreshed, supported, and unified; let us rise above our many differences, and the challenges life offers everyone — *Communicating, Cooperating, and Celebrating* — with due consistency and flexibility: for common and complementary goals! May each and all of us apply all our *Highest Civic Ideals* in best balance and proportion to each, unique situation.

Aiming always at optimum results — and to rebound apace from the sting of setbacks, conflicts, and loss — *to evolve good outcomes from any difficulty* — may we remain true to this profound commitment. Let everyone learn, practice, and *experience* these ideals abundantly in life! Let us grow in secure, productive, fair, and friendly relationships and communities at every level. And may fulfillment rest with all those who do their best: towards responsible liberties, peace, justice, joy, and lasting love!

STAR ALLIANCE

GOOD WILL EDUCATION FOUNDATION FOR ALL™

A VITAL MOVEMENT TOWARD UNIVERSAL CIVIC PEACE VALUES

• **STAR ALLIANCE** is a grassroots, not-for-profit educational initiative, dedicated since 1985 to the service of *everyone, through everyone!* How is this realistic or even possible? By offering *Universal Civic Peace Values Education, Awareness, Inspiration, and Participation!*

• **What a concept!** In an age of tremendous positive and negative potentials — the latter including no less than *Nuclear Winter* — *all* people should not only be invited but realize they are vital to this historic social process. The greatest *stars* of STAR ALLIANCE are nonpartisan, nonsectarian civic principles — *StarPoints™* of practical value that activate and support the universal *Golden Rule*. All those who do their sincere best to learn and practice these principles qualify as *Star Citizens™*. Everyone matters! Together we can save major personal and public resources and irreplaceable time while increasing security and quality of life for everyone! Education for these values is self-reinforcing, because it helps individuals and communities build better, healthier, happier lives and relationships — from intimates and families to the entire *Family of Humanity*. These values can be promoted efficiently through the Internet, and institutional channels such as nonprofit, educational, business, government, and professional programs; schools, prisons, and media.

• Since 1985, your citizen-powered STAR ALLIANCE has created public *Pledges, Declarations, and The Vocabulary of Peace™*. These can be integrated into social studies and language classes everywhere. Public service announcements will double for classrooms and community outreach.

• **Campaign Good Will™** aims to offer and promote STAR ALLIANCE good will and wisdom ideals to everyone, everywhere! For this purpose, the organization will affiliate with a variety of groups who endorse and honor the declared ideals. We will license the distinctive, meaningful *Arc of Rainbow Stars™* logo, our catchy name, and quality educational materials to participating government agencies, private and nonprofit community organizations, United Nations NGO's, businesses and media: producers, writers, talent agencies, broadcast stations, and networks worldwide.

• **You can help prepare for history!** STAR ALLIANCE welcomes investments of *space, time, talent, and treasure*. • 1) to help preserve and share our gritty and prestigious 32-year history • 2) to develop, adapt, protect, and network our catalytic educational materials • 3) to strengthen critical infrastructure, staffing, skills, and outreach.

• **Please help establish the Foundation effectively.** Volunteers and charitable investors are welcome from around the globe. *Angel* volunteers, donors, and sponsors will give us wings! Contributions are IRS tax-deductible in the U.S.; and any amount makes a difference. You can use the *Donate* button at www.STARALLIANCE.org, or write or call us with your questions and ideas. (Due to our all-volunteer reality at present, please be persistent.) Consider arranging a meeting or conference call, media interview, cooperative presentation, panel discussion, or clear-headed party. How about a fun, educational activity for students, friends, families, neighbors, schools, agencies, service groups, and business teams? *Remember:*

• *Everyone Can Be a Star!™* —and— *Teamwork Makes the Dream Work!™* •
