Coach Code of Conduct and Responsibilities

As a Coach volunteering with in Fort Garry Community Centre sports programs, I will follow the expectations outlined below:

- I will exhibit responsible, respectful, and sportsmanlike conduct at all times. As a coach my conduct is visible to players, other coaches, officials and spectators. I will be patient and exhibit model behaviour towards all individuals involved.
- I am aware of and agree to take the required courses necessary for the sport I am coaching.
- I am committed to work with my team for the entire season and the full duration of the playoffs.
- I will not engage in physical or verbal abuse, profanity, heckling, and the misuse of equipment which are unacceptable. As a team representative, I will discourage any approaching of officials by players, parents and spectators. I expect judgment calls by officials, occasional errors, and variation in interpretation to occur at times. If needed I will address these situations with patience, respect and acceptance of the final decision of the official. Verbal or physical abuse of officials will not be tolerated.
- I understand judgment calls cannot be protested.
- I understand I must be approachable and accessible to my team and their families. I am not required to address irate or unreasonable emotional parents/guardians/spectators. **Any such incidences are to be referred to the sport convenor.**
- I understand my position carries with it a great deal of responsibility. I accept these responsibilities and understand the importance of my role to the continued success of the community centre's sports programs.
- I pledge to provide young athletes with a positive, safe and encouraging experience.
