

FORT GARRY COMMUNITY CENTRE

Parking System at the Hobson Site

The Fort Garry Community Centre (FGCC) provides external and internal facilities for use by the community and other patrons. To accommodate parking needs for the increasing number of FGCC users, policies have been established to manage the defined parking lots located west of the main buildings, and between the main buildings at FGCC's Hobson site (880 Oakenwald Street).

Access to these parking lots is restricted to pass holders and FGCC users from 8:00am to 4:00pm, Monday through Friday, excluding statutory holidays, from September 1 to June 30.

FGCC users:

- Users may park in any defined parking stall except within the area designated for pass holders.
- Users must register their vehicle in the office prior to attending a program or function within the grounds or buildings of the Hobson site of the FGCC.
- Any vehicle parked within the parking lot and not registered in the office will be subject to the following enforcement steps:
 - First offence will result in a verbal or written warning on the windshield of the vehicle
 - Second offence will result in ticketing by the City of Winnipeg parking authority
 - Third and subsequent offence will result in the vehicle being towed at the expense of the vehicle's owner

Pass holders:

- Applications for parking passes will be accepted by email to fortgarryccinfo@shaw.ca or in person at the Hobson site office during posted hours of operation. Successful applicants will be informed upon being granted a pass. All other applicants will be placed on a waiting list.
- Applicants who are granted a pass must pay the entire fee of \$150.00 within 5 working days of receiving confirmation. Failure to pay the fee by the due date will result in pass privileges being assigned to a person on the wait list. This fee includes a \$50.00 deposit which will be refunded upon the return of the parking pass to the

Hobson office by July 15 of each year. Parking passes obtained or cancelled after the deadline will be pro-rated by month for payment or refund.

- Passes are only available for the full 10 months or the number of months remaining in the season at date of purchase. Passes returned prior to the end of the season are eligible for a refund for any unused months, plus the \$50 deposit.
- Pass holders must park only within the designated pass holder area of the parking lot at the Hobson site of FGCC.
- Passes must be displayed from the rear view mirror or on the dashboard of the vehicle. Passes are transferable and all alternate vehicle license plates must be registered either by email to fortgarryccinfo@shaw.ca or by phone at 204-505-3970 within 30 minutes of parking.
- Any vehicle not displaying a valid pass and parked within the designated pass holder area will be subject to the following enforcement steps:
 - First offence will result in a verbal or written warning on the windshield of the vehicle
 - Second offence will result in ticketing by the City of Winnipeg parking authority
 - Third and subsequent offence will result in the vehicle being towed at the expense of the vehicle's owner
- Any vehicle displaying a valid pass and parked within the parking lot but outside the designated pass holder area will also be subject to the above enforcement steps.
