

FORT GARRY COMMUNITY CENTRE

FGCC Youth Soccer Program

Youth Soccer will begin once teams are formed and coaches are assigned.

Weather-wise, the program will start when the snow is gone and the fields are dry enough for play. Usually the youth soccer season ends in early July. If teams make it to playoffs, the season may resume for a short time in September.

Team Schedules and Locations are TBA. Your child's coach will contact families prior to the start of the program with this information.

Equipment required for Youth Soccer includes shin guards, cleats, shorts or sweats (weather-dependent), cap and water bottle. Jerseys are provided by the league.

Parent volunteers (convenors, coaches, assistant coaches, general volunteers) are still required for each of our soccer programs. Please contact the office for further information: 204-505-3970 or by email: fortgarryccinfo@shaw.ca

* Some games will also occur on Saturday and Sundays for all Youth Soccer age groups.
