

## Compost bin

Eastern Red Cedar

1 1/4" x 6"

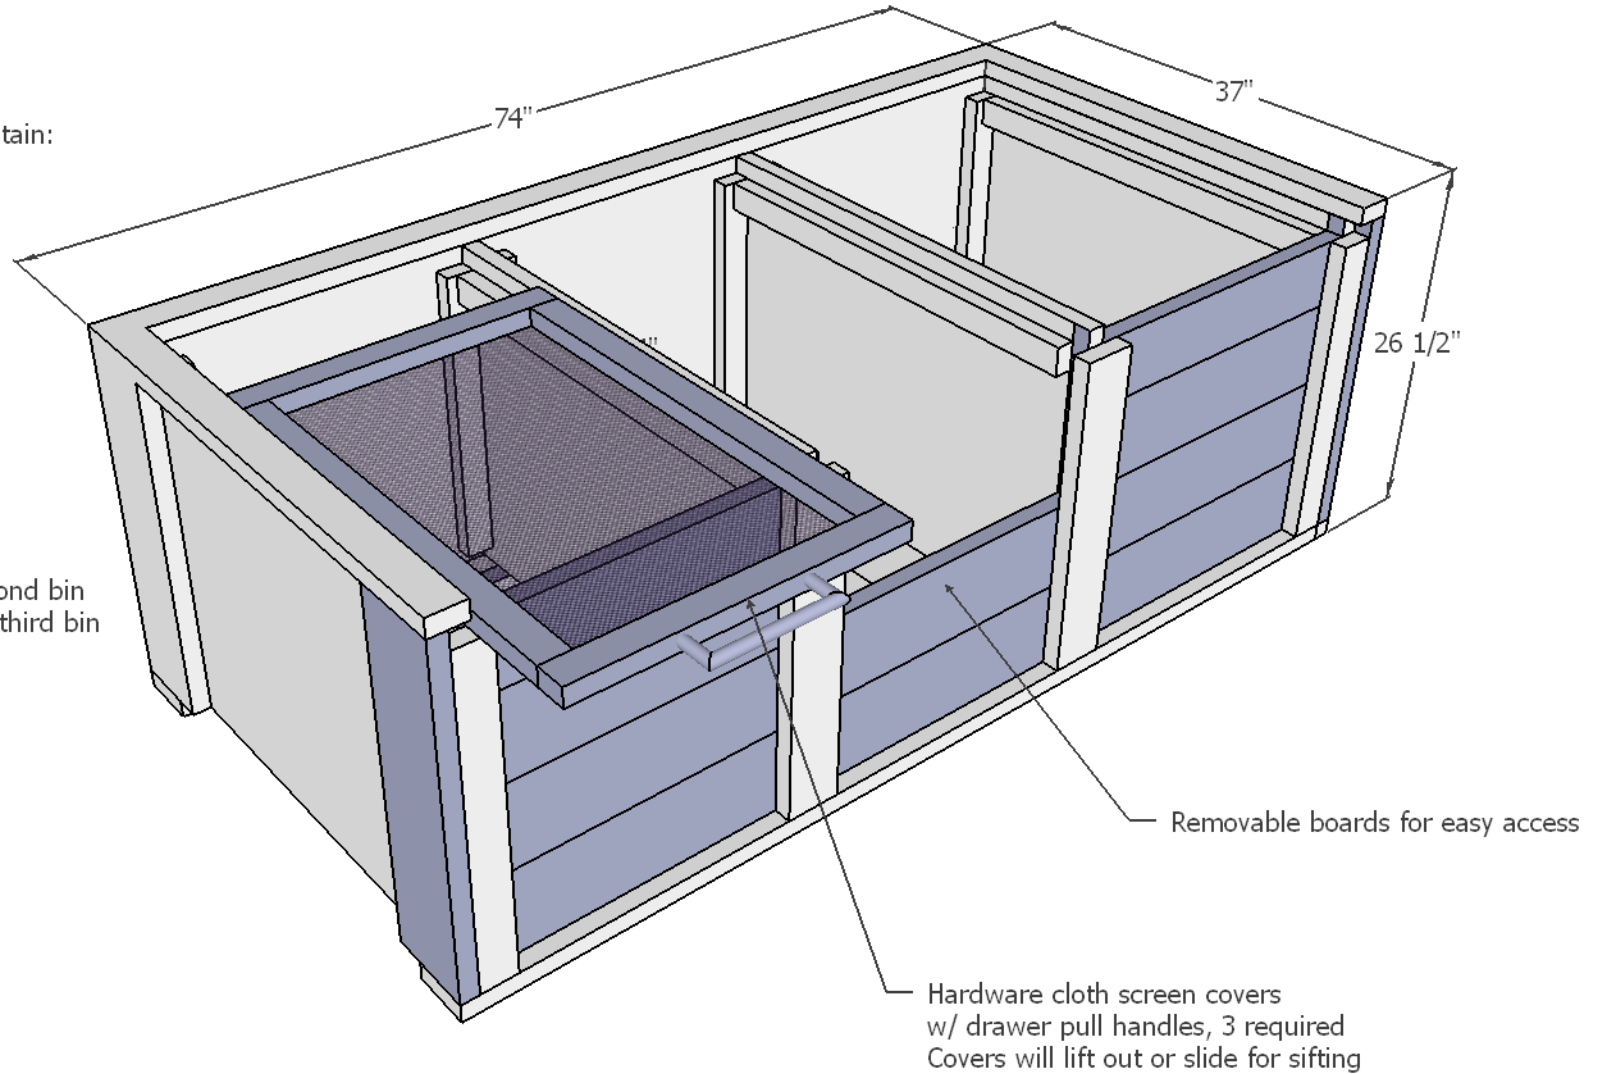

144 lineal feet

Three bins are provided to contain:

1. Active compost
2. Finished compost
3. New active compost

Composting sequence:

1. Start compost in one bin
2. Sift finished compost to second bin
3. Rejects from sifting go into third bin to begin new compost

Keep pests out and can be used  
for sifting finished compost
