Open Discussion:

- **Mariner's Day-** Yes, let's do it! Dede will take the ball and organize it. Cost is \$13 we'll ask \$15. Last year we sold 80 and made \$4 a ticket.... Let's try and sell more but take less profit per ticket.
- **Yearbook:** Kim will check deadline... thinking March 31. Darcy will help with baby pages and staff pages. Get word out and ask parents in classrooms to do pages. Jen Thompson and Teresa Geer will help. Donna suggested 5th graders help make pages? Club? We can use computer lab if need be to put pages together.
