Dwayne explains about three items up for draw.

- Flight ride along

- Dragster ride along

Raffle does not need 755 Squadron approval because it does not directly implicate the cadets.

Waivers are supplied by the individual suppliers of the prizes.

Maximum of 2500 tickets to be printed.

Draw to be done at ACR on May 23, 2013.

Contracts with suppliers?????

This references if the trip committee were to apply for grants.

Wayne Rietsma: Ask about implications in transferring money's from general to trip.

Grants and other general monies coming in would go directly to general. General can donate to the trip fund.

(Cheryl Anderson) Suggestion would like to see a portion of all general fundraising moneys go to trip fund. 5-10%

Not just large fund raisers.

90% goes to unit and 10% goes to trips.

Fund raising. 9yrs in the Cadets only went on only 2 trips.

1 across Canada

1 to Victoria

Ski trip for 2 days cost the same as Victoria
