Dear Members of the Class of 2018 and current College Students,

The Scotch Plains-Fanwood Scholarship Foundation continues its 52-year old tradition of assisting graduating seniors and current college students who reside in Scotch Plains and Fanwood in achieving their goal of a college or other post-high school education. Since its inception, the Foundation has proudly awarded \$3,070,977 to 2,948 local students. This past June, \$145,500 was awarded to 93 students from our joint communities.

As a prospective applicant, please carefully review the description of each scholarship listed in this booklet. You will find:

- There are both financial need and non-financial need-based scholarships.
  - Graduating seniors can apply for both need and non-need scholarships.
  - Current college students are eligible for need-based scholarships only.
  - Need-based scholarship applicants must complete the *Income Verification Worksheet* and supply the necessary supporting tax documents.
- Several scholarships require an additional letter of recommendation or an essay which must be submitted along with your application.
- **Deadline for submitting the application and all supporting documents is FEBRUARY 15, 2018.** Applications will be accepted beginning January 1, 2018. Early submission is encouraged.
