**Invites you to an Event in honor of the
World Day against Child Labor**

“RIGHT THIS WAY: NO MORE CHILD LABOR TRAFFICKING”

Child labor is defined as work that deprives children of their childhood, their potential and their dignity, and that is harmful to physical and mental development. Forced labor is any work or services which people are forced to do against their will under the threat of some form of punishment. With our help, children trafficked for forced labor can find a new life.
