## Prayer Concerns

Sherry Wilson – continued healing for her eye infection

Ron Cousino – pray for continued strength

Mike Borduin – health concerns

Lynn Deuel – spent some time in the hospital this past week due to breathing difficulties

A co-worker of one of our members has a grandson that is severely handicapped. Mason is 6 years old and probably won't live much longer. He's being taken to a special hospital to see if there is anything that can be done for him. There is much stress for the parents, both in their marriage and financially. Please pray for them as this family does not know the Lord.

Kira (Lowell & Donna's daughter) – please keep Kira in your prayers as she faces job issues

**Thank you** to everyone for the prayers, cards, and support we received during the illness of Kathy's mother and following her death. We so appreciate our church family

– Willie & Kathy Ostrander  
Scott & Kinsey Parm and family

**Thank you** to all the ladies who had a part in the freezer meal preparation for Loriann Gemmen and Mary Gage. They appreciated everything very much.
