Heartfelt thanks

I want to thank everyone who so generously gave of their time to help me out the past two weeks following my eye injury. A sincere thanks to the mens' group who came to help clean my yard and basement, to Lowell & Donna Paul and Marcia DeMott who drove me to and from my hospital and doctor appointments and also thanks to all those who offered me rides. A huge thanks for those who brought food and also who offered to bring food. Most importantly, I want to thank everyone for their prayers. The love, concern, and prayer support I have felt from everyone has been overwhelming. The Great Physician has really been at work in my life. Continue to keep me in your prayers over the next couple of months as the doctors monitor my eye through the healing process. Love, Mary Kroodsm
