J. O. Y. (J-ust O-lder Y-outh) Group wants to connect with all the “older” youth (50-years-plus) after worship **next Sunday**. We’re planning to reserve seating at the Main St. Pub in Allendale to take advantage of their buffet, but most importantly to celebrate Mike Borduin’s 90th birthday and enjoy some fellowship. Please let Terri Borduin or Pastor Vic know if you’d like to join us.

Mike Borduin’s 90th birthday is today. The birthday cake and cards in honor of his birthday had to be postponed until next Sunday. If you would like to bring a card or express your birthday wishes to Mike next week, I’m sure he would greatly appreciate it.

The ELS Language Center in Allendale located on the GVSU Campus is looking for temporary housing for some Mexican students attending their class. If you would be willing to help out, please see Doris Koenig or pick up a brochure in the church lobby.

Jehovah Jireh Ministries is in need of volunteers to help clean once or twice a month on either Wednesday evening or Thursday morning. Two people sticking to it can have it done in about an hour or so. Please contact Jim at 209-7688 or jimjamestown@att.net

When it’s a matter of life or death, WHI is committed to moving quickly to address the needs of those in urgent need of relief – on the ground before, during, and after a crisis. It’s been a devastating past few months with storms, typhoons, earthquakes, floods, mudslides, and volcanos battering our world, and now WHI is taking on Hurricane Michael, too.

World Hope’s Response:

- Coordinating a network of community groups and churches that will directly support those in need.
- Working with Nazarene and Wesleyan churches throughout the area to prep volunteers who are staying tuned into local needs. They’ll help assess real-time needs and requests for relief supplies so we can get them to service providers and local shelters.
- Working with partners to create an airbase in Gainesville, FL that can receive supplies to be flown by volunteer pilots to areas where their network can support delivery to areas of need.

WHI really needs your help. Will you help them serve those who are left without power, food, or clean water? Donate by going online to worldhope.org.
