# Prayer Concerns

- ❖ **Ben Young** – continue to keep Ben in your prayers
- ❖ **Ted Borduin** is gradually healing from his injuries as a result of his motorcycle accident, however, he has a long way to go. Thank you for all your prayers and concern.
- ❖ **Roger Meyer** was injured in a motorcycle accident last week. Thursday he had surgery on his leg. Pray for him as he recovers from his injuries.

When it's a matter of life or death, WHI is committed to moving quickly to address the needs of those in urgent need of relief – on the ground before, during, and after a crisis. It's been a devastating past few months with storms, typhoons, earthquakes, floods, mudslides, and volcanos battering our world, and now WHI is taking on Hurricane Michael, too.

## World Hope's Response:

- Coordinating a network of community groups and churches that will directly support those in need.
- Working with Nazarene and Wesleyan churches throughout the area to prep volunteers who are staying tuned into local needs. They'll help assess real-time needs and requests for relief supplies so we can get them to service providers and local shelters.
- Working with partners to create an airbase in Gainesville, FL that can receive supplies to be flown by volunteer pilots to areas where their network can support delivery to areas of need.

WHI really needs your help. Will you help them serve those who are left without power, food, or clean water? Donate by going online to [worldhope.org](http://worldhope.org).
