Please let us know ASAP if you are entering a chili.

Awana

Halfway Night

Award clubbers who are halfway through the handbook.
Wednesday Night 6:30–8:00 pm.

Protestant Churches around the world are now celebrating the season of Epiphany, which began on January 6th and will last until the beginning of Lent on Ash Wednesday. Epiphany means "to show" or "to make known". During this season we remember the wise men who worshiped Christ and offered Him their gifts. The wise men were the first Gentiles to acknowledge Jesus as King and therefore were the first *to show or to make known* Jesus to a wider world as the incarnate Christ. The color green is used during this time to symbolize the new life available to all people through faith in Christ.
