Prayer Concerns

- ❖ **Donna Paul** – she is very weak. This week she will get the results from her body scan.
- ❖ **Ben Young** – he is home in Jenison. Continue to pray for him during the coming weeks as he works to build his strength up.
- ❖ **Carl Kikstra** – remains at the University of Michigan Hospital on ECMO (extra corporeal membrane oxygenation) an external machine that bypasses his lungs and gives his thin lung tissue a chance to heal.
- ❖ **Joyce Hanlon** – is at American House under Hospice Care. She is unresponsive and it appears she might be in her final days. Keep Chuck and his family in your prayers.
- ❖ **Ron Cousino** – has been receiving treatments for Gullian Barre Syndrome and is slowly improving. He had his last treatment on Saturday and is expected to move to Mary Free Bed Hospital on Monday.
- ❖ **Charity, Joyce, Sue** (friends of Victoria McLean) – two of these ladies remain in the hospital healing from injuries they received in a car accident.
- ❖ **Ellen Denny** – had her heart shocked into rhythm, and it continues to strengthen and remain in normal rhythm. She is still having a lot of pain with the tendon in her foot causing Plantar Fasciitis. She is doing therapy trying to heal it without surgery.

Consider How You Can Serve With Children

Bauer Community Fellowship welcomes parents and others to participate and join a worship team. Please contact the church office for further information about training and scheduling. The on-going worship ministry with children is dependent on volunteer staff.

Each team worships with children separate from the general assembly once a month. We currently have three worship teams:

- Becky DeBlaey, worship leader; Marsha Young, greeter
- Marilyn Helmers, worship leader; Becky DeBlaey, greeter
- Rhonda Young, worship leader; Erica Berens, greeter

Pray about and consider serving with children grades 1-6 as a worship leader or greeter on an additional worship team.
