

TURTLECREEK TOWNSHIP STORM DAMAGE POLICY

It is the policy of the Board of Trustees of Turtlecreek Township to maintain a policy for storm damage. Although undesired, there is always a potential for damage to mailboxes and fences during the snow removal process. Damage will be evaluated on a case by case basis. Mailboxes and fences that are damaged by actual physical contact with the Township equipment will be repaired at the Township's expense, but only if they were properly located and installed. The mail box owner is responsible for repair or replacement of the mailbox if the mailbox was damaged by the pressure of the plowed snow and there was no physical contact with the plow equipment.
