Focus		On Wednesday evening, adults meet in the sanctuary for prayer and a devotion. Wednesday evening classes teach children what it means to “put hands and feet” to our belief. Children learn to look beyond their own needs to the needs of others. The emphasis is on missions and service.
Curriculum (for children)	On Wednesday nights, Kindergarten to 6 th grade children focus on learning who God is and how to share his love to others through missions. Short term curriculum units are used to teach children about missions. One mission for the children is being part of the Mindset Children’s Choir which uses music to spread the Good News.

K– 6 th Grade	Melissa Givans and Shannon Brown (Basement- Room #5) 	The center of the Mindset design is a heart with a cross. The heart reminds us that God is love. God loves us so much that He sent his Son, Jesus, to die on the cross for our sins. Our goal is to make Christ the center of our lives. One way to do this is to share the Good News about Jesus with others. The hand is open- reaching out, accepting, and serving others and letting them know that Jesus loves them too and died for their sins.
