Sunday Opportunities	Sunday School (Sunday Morning) 9:00-9:55 am	Discipleship Training (Sunday Evening) 6:00-6:55 pm (adult classes) 7:00-7:30 pm (worship service in sanctuary) 6:00-7:30 pm (children & youth)
Focus	The foundation of Sunday School is teaching the BASIC BELIEFS in God's word.	Discipleship training goes a step beyond the basics. It focuses on spiritual growth and learning the WORD. Children learn to apply the truths in the Bible so they can be a disciple of Christ and a witness to their family, friends, and community.
Curriculum	Sunday School teachers use a systematic, on-going curriculum from Life- Way to introduce children to God's word and His family.	Short term curriculum units are used during Discipleship training to help participants dig deeper in God's word.
