Contestant Application Packet

Glitz & Glam Beauty Pageants is first and foremost designed to emphasize and give honor to women who have reached their "Age of Elegance." It is a search for a gracious lady who best exemplifies the dignity, maturity and inner beauty of Virginia's senior citizens.

The pageant philosophy is based upon the belief that seniors are the foundation of America, and our most valuable treasure. It is upon their knowledge, experience, and resources that the younger generation has the opportunity to build a better society.
